SOAH ORDER NO. 8
CONTINUING ABATEMENT

On December 7, 2017, the Administrative Law Judge (ALJ) continued the abatement of this proceeding to allow the completion of appellate litigation in a related case. The ALJ required M.E.N. Water Supply Corporation, Angus Water Supply Corporation, Chatfield Water Supply Corporation, Corbet Water Supply Corporation, and the City of Kerens (Ratepayers) to file a status report regarding the litigation by June 1, 2018. On May 30, 2018, the Ratepayers filed the required status report, stated that the appellate litigation was ongoing, and requested the continued abatement of the proceeding. The Ratepayers represented that the other parties to this proceeding agreed that continuing the abatement was appropriate.

Accordingly, the ALJ grants the Ratepayers' request for the continued abatement of this case. The Ratepayers must file a status report by **December 1, 2018**, and explain the status of the appellate litigation and indicate whether the abatement in this proceeding should continue. The Ratepayers must also include a certificate of conference stating whether the other parties agree with the status report and to any requested relief.

SIGNED June 4, 2018.
