**PROSPER INDEPENDENT SCHOOL DISTRICT'S
RESPONSE TO ORDER NO. 12**

TO THE HONORABLE JAMES W. NORMAN:

COMES NOW Prosper Independent School District ("PISD"), by and through its attorney, and files its response to Order No. 12.

The Administrative Law Judge requested that all parties respond to the following question:

Would it be a good idea to wait on certified questions until after October 16?

PISD is of the opinion that it would be a good idea to wait until after October 16th to submit certified issues to Commission.

PISD contends that the administrative law judge was correct in ruling that PISD has standing in this matter. PISD does not object to submitting these certified issues regarding standing to the Commission. PISD agrees that these are significant policy issues. PISD submits that it is prudent to resolve these standing issues at this time rather than later. PISD does not want to spend its resources and time litigating this matter only to have the Commission later rule that it has no standing.
