SEWER CERTIFICATE OF	§	TEXAS COMMISSION ON
CONVENIENCE AND NECESSITY NO.	§	
20964 IN PARKER COUNTY, TEXAS.	§	ENVIRONMENTAL QUALITY
	§	

On _____, the Executive Director of the Texas Commission on Environmental Quality pursuant to Chapters 5 and 13 of the Texas Water Code considered the application of South Central Water Company to amend sewer Certificate of Convenience and Necessity No. 20964 in Parker County, Texas.

No person has requested a public hearing on the application;

Notice of the application was given to all affected and interested parties;

The criteria set forth in *Texas Water Code* Sections 13.246 (c) and 13.254 have been considered; and

The certificate amendment requested in this application is necessary for the service, accommodation, convenience, and safety of the public.

Now, therefore, be it ordered by the Texas Commission on Environmental Quality that the application is granted and Certificate of Convenience and Necessity No. 20964 be amended in accordance with the terms and conditions set forth herein and in the certificate.

IT IS FURTHER ORDERED that South Central Water Company shall serve every customer and applicant for service within the area certified under Certificate of Convenience and Necessity No. 20964 and that such service shall be continuous and adequate

Dear Mr. Bailey:

We have reviewed the above referenced application.

ENCLOSED ARE:

- ▶ CONSENT FORM
- ▶ The proposed map, certificate, and staff recommendation.
- ▶ A copy of your approved tariff. The original copy of the tariff will be retained by the Commission. You should retain a complete copy of your tariff at each utility business office.

YOU SHOULD DO THE FOLLOWING:

- ▶ Review the map, certificate, and recommendation. If these documents are **accurate and you agree** with all of the provisions of the order, you must sign the **CONSENT FORM** and mark the line that says you concur and return the signed statement. You should keep a copy of the letter you signed along with the documents for your records. Failure to return the signed statement could result in your application being returned.
- ▶ Notify us (**in writing**) within **14 days** of the date of this letter, if these documents are **inaccurate or you disagree** with any of the provision of the order. You may do this by marking the line on the **CONSENT FORM** that says you do not concur, signing the form and mailing it to the address on the form.
- ▶ **NOTE:** This letter does not authorize you to provide utility service. You must wait until the Commission has approved your application and issued you the amended CCN.

WE WILL DO THE FOLLOWING:

- ▶ Submit the order for the application to the Executive Director for signature. However, before the Executive Director can sign the order, we **must** receive your written consent to the staff's recommendation.

NOTICE OF APPLICATION FOR CERTIFICATE OF CONVENIENCE AND NECESSITY
(CCN) TO PROVIDE SEWER UTILITY SERVICE IN PARKER COUNTY

To: NIX SCOTT M & KELLY
437 SUGAR TREE DR
LIPAN, TX 76462

Date Notice Mailed: 6/15, 2005

\$ 6/22/05

(City State Zip)

South Central Water Company has filed an application to amend CCN No. 20964 with the Texas Commission on Environmental Quality to provide sewer utility service in Parker County.

The proposed utility service area is located approximately 7 miles SW of downtown Weatherford Texas, and is generally bounded on the north by the Brazos River; on the east by FM 1189; on the south by Lacy Dr.; and on the west by York Ln. See enclosed map of the proposed service area.

The total area being requested includes approximately 430+/- acres and 0 current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

South Central Water Company has filed an application to amend CCN No. 20964 with the Texas Commission on Environmental Quality to provide sewer utility service in Parker County.

The proposed utility service area is located approximately 7 miles SW of downtown Weatherford Texas, and is generally bounded on the north by the Brazos River; on the east by FM 1189; on the south by Lacy Dr.; and on the west by York Ln. See enclosed map of the proposed service area.

The total area being requested includes approximately 430 +/- acres and 0 current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

South Central Water Company has filed an application to amend CCN No. 20964 with the Texas Commission on Environmental Quality to provide sewer utility service in Parker County.

The proposed utility service area is located approximately 7.5 miles SW of downtown Weatherford Texas, and is generally bounded on the north by the Brazos River; on the east by FM 1189; on the south by Lacy Dr.; and on the west by York Ln. See enclosed map of the proposed service area.

The total area being requested includes approximately 430 +/- acres and 0 current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
