TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

November 2, 2009

MR DICK WOOD
HARBORLIGHT
3150 PALO GAUCHO CROSSING
HEMPHILL TX 75948

RE: Applicant Name: THE ROBERT GENE GLISSON TRUST
Facility Location: Sabine County
Permit Number: WQ0011432001
Customer Reference Number: CN603513300
Regulated Entity Number: RN101521821
Type of Authorization: RENEWAL

The executive director has declared the above referenced application administratively complete, has completed the technical review, and has prepared a preliminary decision and draft permit.

You are now required to publish notice of your proposed activity and make a copy of all documents available for public review. To help you meet the requirements associated with this notice, we have included the following items:

- ☐ Instructions for Public Notice
- ☐ Notice for Newspaper Publication
- ☐ Publisher's Affidavits
- ☐ Draft Permit
- ☐ Executive Director's Preliminary Decision
- ☐ Public Notice Verification Form

You must follow all the directions in the enclosed instructions. The most common mistakes are the unauthorized changing of notice, wording, or font. If you fail to follow these instructions, you may be required to republish the notices.

The following requirements are also described in the enclosed instructions. However, due to their importance, they are highlighted here as well.

1. Publish the enclosed notice within **30 calendar days** after the date of this cover letter. **You may be required to publish the notice in more than one newspaper, including a newspaper published in an alternative language, to satisfy all of the notice requirements.**
2. On or before the date you publish notice, you must place the following items in a public place in the county where the facility is or will be located: (a) a copy of your permit application, including any subsequent revisions; (b) the executive director's preliminary decision as contained in the technical summary and fact sheet; and (c) the draft permit, including any subsequent revisions. These items must be accessible to the public for review and copying, must be updated to reflect changes to the application, and must remain in place until the commission has taken action on the application or the commission refers issues to the State Office of Administrative Hearings.
3. For each publication, return an original clipping of the newspaper notice that shows the publication date and newspaper name to the Office of the Chief Clerk within **10 business days** after notice is published in the newspaper.
4. Return the original enclosed Public Notice Verification and the Publisher's Affidavits to the Office of the Chief Clerk within **30 calendar days** after the notice is published in the newspaper.

If you do not comply with all the requirements described in the instructions, further processing of your application may be suspended or the agency may take other actions.

If you have any questions regarding publication requirements, please contact the Office of the Chief Clerk at 512-239-3300. If you have any questions regarding the content of the notice, please contact the individual in the permitting area assigned to your application.

Sincerely,

LaDonna Castañuela
Chief Clerk

Basin. The designated uses for Segment No. 0504 are high aquatic life use, public water supply and contact recreation. All determinations are preliminary and subject to additional review and/or revisions.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at the Sabine County Courthouse, Corner of Oak and Main, Hemphill, Texas.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting about this appli-

1000 LEGALS

cation. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. Unless the application is directly referred for a contested case hearing, the response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will

**APPLICATION AND
PRELIMINARY DECISION.**
The Robert Gene Glisson
Trust, 3150 Palo Gauchito
Crossing, Hemphill, Texas
75948, has applied to the
Texas Commission on
Environmental Quality
(TCEQ) for a renewal of
TPDES Permit No.
WQ0011432001, which
authorizes the discharge of
treated domestic waste-
water at a daily average flow
not to exceed 12,000 gallons
per day. TCEQ received this
application on March 07,
2006.

The facility is located on
the east side of Farm-to-
Market Road 3121 at a point
approximately 2.5 miles
north of the intersection of
Farm-to-Market Roads 3121
and 83 in Sabine County,
Texas. The treated effluent
is discharged to Toledo
Bend Reservoir in Segment
No. 0504 of the Sabine River
