NOTICE OF APPLICATION FOR CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN)
TO PROVIDE WATER AND SEWER UTILITY SERVICE IN KENDALL COUNTY

To: AquaSource Utility, Inc. (CCN No. 11157)
1421 Wells Branch Parkway, Suite 105
Pflugerville, Texas 78660

Date Notice Mailed: June 17, 2005

Tapatio Springs Services Company, Inc. has filed an application to amend CCN Nos. 12122 and 20698 with the Texas Commission on Environmental Quality to provide water & sewer utility service in Kendall County.

The proposed utility service area is located approximately 2 miles west of downtown Boerne, Texas, and is generally bounded on the north by Cibolo Creek; on the east by Johns Road; on the south by Tapatio Springs; and on the west by Bear Creek. The total area being requested includes approximately 5000 acres and no current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
