SECTION 4.0--WATER RATIONING PROGRAM (CONT.)

Section 4.02--Stages of Rationing (cont.)

STAGE II (MODERATE RATIONING CONDITIONS): All outdoor water usage is prohibited; however, usage for livestock is exempt.

STAGE III (SEVERE RATIONING CONDITIONS): All outdoor water usage is prohibited; livestock may be exempted by the utility. All consumption shall be limited to each customer in one of the following ways:

1. A fixed percentage of each customer's average use in the prior month, the percentage to be uniformly applied on a systemwide basis, each customer being notified of this percentage amount;
OR
2. A maximum number of gallons per meter (customer) per week, with notice to each customer of this number.

All meters shall be read as often as necessary to insure compliance with this program for the benefit of all the customers.
