D. PURPOSE OF WELL (check all that apply)

- ☐ **Agricultural** (The use of groundwater for: (1) Cultivating the soil to produce crops for human food, animal feed, or planting seed or for the production of fibers; (2) Practicing floriculture, viticulture, silviculture, and horticulture, including the cultivation of plants in containers or non-soil media, by a nursery grower; (3) Raising, feeding, or keeping animals for breeding purposes or for the production of food or fiber, leather, pelts, or other tangible products having a commercial value; (4) Planting cover crops, including cover crops cultivated for transplantation, or leaving land idle for the purpose of participating in any governmental program or normal crop or livestock rotation procedure; (5) Engaging in wildlife management as defined in Texas Tax Code Section 23.51(7), and; (6) Raising or keeping equine animals.)
- ☐ **Commercial** (The use of groundwater to supply water to properties or establishments that are in business to build, supply or sell products, or provide goods, services or repairs and that use water in those processes, or to supply water to the business establishment primarily for employee and customer conveniences (i.e. flushing of toilets, sanitary purposes, or limited landscape watering))
- ☐ **Domestic** (use of groundwater by a residence (not a business or other commercial structure) to support essential domestic activity, including but not limited to: uses inside the residence; irrigation of lawns, flower beds, shrubs, trees shading the residence, or of a garden or orchard that produces vegetables and fruit for consumption within the residence and not for sale; protection of foundations, and non-commercial recreation associated with the residence.)
- ☐ **Industrial** (Use of groundwater primarily in the building, production, manufacturing, or alteration of a product or goods, or to wash, cleanse, cool, or heat such goods or products.)
- ☐ **Irrigation** (use of groundwater to supply water for application to plants or land in order to promote growth of plants, turf, or trees, other than for domestic use or purpose.)
- ☐ **Livestock** (use of groundwater to provide water to domesticated horses, cattle, goats, sheep, swine, poultry, ostriches, emus, rheas, exotic deer and antelope, and other similar animals involved in farming or ranching operations. Dogs, cats, birds, fish, reptiles, small mammals, potbellied pigs, and other animals typically kept as pets are not considered livestock. Livestock-type animals kept as pets or in a pet-like environment are not considered livestock although providing water to such pets may be considered domestic use when associated with a residence.)
- ☐ **Public Water System** (a system as defined in 30 Texas Administrative Code Chapter 290 for providing water for human consumption to the public)
- ☒ **Retail Water Utility** (as defined by Texas Water Code Section 13.002 and 30 Texas Administrative Code Section 291.3 any person, corporation, public utility, water supply corporation, municipally, political subdivision or agency operating, maintaining, or controlling within the District facilities for providing potable water service for compensation.)
- ☐ **Other** (If the purpose of the well is other than described above, determine use based on definitions in District Rule 2)

CHIEF CLERKS OFFICE

Certified Mail No.: 7005-1820-0004-5358-7049

Dear Chief Clerk;

Tapatio Springs Service Company, Inc. has applied for an expansion of its' CCN. I am a ratepayer of Tapatio Springs Service Company, Inc. I protested this expansion because I believe it will negatively impact me. Al Hamilton represented me before the Administrative Law Judge and it was my understanding that my protest conformed to the requirement allowing for participation in the Application hearings. I did not give permission for Al Hamilton to withdraw my protest, he did not tell me that he was going to do so, and he never told me that he had withdrawn my protest. As requested by the Administrative Law Judge in his Order, I am writing to specifically request that I be given party status in the proceedings on Tapatio Springs Service Company, Inc.'s amendment application for its Certificates of Convenience and Necessity in Kendall County, Texas.

Attached is my affidavit.

Sincerely,

Patsy Arnold

AFFIDAVIT

CHIEF CLERKS OFFICE

BEFORE ME, the undersigned authority, on this day personally appeared Patsy Arnold who swore on oath that the following facts are true:

"My name is Patsy Arnold. I am over 18 years of age, of sound mind, and fully competent to make this affidavit. I have personal knowledge of the facts stated herein and they are all true and correct.

1. I reside in Kendall County, Texas, and my mailing address is 120 Coterie Place Boerne, Texas 78006.

2. I am a customer of Tapatio Springs Service Company, Inc. that has applied for an expansion of its Certificate of Convenience and Necessity from the Texas Commission on Environmental Quality. I am a ratepayer concerned about Tapatio Springs Service Company, Inc.'s continued water and sewer service that I receive and its' ability to adequately serve the expanded area without a significant and detrimental effect on the rates that I pay.

3. I was represented by Al Hamilton in the expansion matter. I did not give Al Hamilton permission or authorization to withdraw my protest. Al Hamilton did not inform me that he was going to or that he did withdraw my protest.

4. I am seeking party status in the expansion of Tapatio Springs Service Company, Inc.'s Certificate of Convenience and Necessity.

5. As soon as I became aware of Al Hamilton's withdrawal, I sought out the Public Interest Counsel's assistance and then communicated the problem to the Administrative Law Judge.

SIGNED on April 25, 2006.
