Dear Chief Clerk;

Tapatio Springs Service Company, Inc. has applied for an expansion of its' CCN. I am a ratepayer of Tapatio Springs Service Company, Inc. I protested this expansion because I believe it will negatively impact me. Al Hamilton represented me before the Administrative Law Judge and it was my understanding that my protest conformed to the requirement allowing for participation in the Application hearings. I did not give permission for Al Hamilton to withdraw my protest, he did not tell me that he was going to do so, and he never told me that he had withdrawn my protest. As requested by the Administrative Law Judge in his Order, I am writing to specifically request that I be given party status in the proceedings on Tapatio Springs Service Company, Inc.'s amendment application for its Certificates of Convenience and Necessity in Kendall County, Texas.

Attached is my affidavit.

Sincerely,

Sandra Dubuy
