COA Water and Wastewater Rate Spread Profile

We the undersigned hereby appeal to the Public Utility Commission of Texas ("PUC") and protest the water and wastewater rate increases of the City of Austin ("COA") effective October 1, 2014 and the water and wastewater rate increases of the COA effective November 1, 2014. The COA is a home rule municipality, and under the Texas Constitution, as this piece of the COA River Place Wastewater System, under Section 13.01(b)(1) of the Texas Water Code, the effective date of the first phase of the rate increase is October 1, 2014, and the effective date of the second phase is November 1, 2014.

Category	Rate	Rate	Rate	Rate
WATER	BASE	\$3.00	\$3.00	\$3.00
	1-2,000 gal	\$0.00	\$0.00	\$0.00
	2,001-6,000 gal	\$2.50	\$3.84	\$4.68
	6,001-11,000 gal	\$2.50	\$6.38	\$7.48
	11,001-20,000 gal	\$2.50	\$8.10	\$11.24
	Over 20,000 gal	\$3.50	\$12.97	\$14.12
WASTEWATER	BASE	\$0.00	\$0.00	\$0.00
	Per 1,000 gal	\$0.00	\$1.32	\$1.32

As shown on the above bill, the rate increased from \$7.50 to \$11.24 per 1,000 gallons and over 20,000 gallons per month. The rate increase is \$3.74 per 1,000 gallons. We are affected by the rate increase of the COA because the rate increase of the COA ends that there are no other rate increases and the rates and the COA River Place customers with costs to serve COA customers inside the service area of the COA River Place Wastewater System. Moreover, under Section 13.01(b)(1), due to the high increase in rates, we hereby petition the PUC to set interim rates at the level that existed before October 1, 2014.

The COA is a home-rule municipality organized under the Texas Constitution. As ratepayers of the COA River Place Water and Wastewater Systems, we are filing this petition under Sec. 13.043(b)(3) of the Texas Water Code.
