**ORDER NO. 9
ADOPTING NEW PROCEDURAL SCHEDULE**

On January 7, 2016, Public Utility Commission of Texas (Commission) Staff filed a response to Order No. 8. On January 8, 2016, Commission Staff filed a revised response. Specifically, Commission Staff has not received responses from the City of Three Rivers (Applicant) to Commission Staff's third request for information (RFI) which were due on December 29, 2015. Applicant informed Commission Staff that they have not yet received bids from contractors, which the Applicant needs in order to compile a work cost estimate that is responsive to the RFI. Commission Staff and Applicant have agreed to accept a late submission of the Applicant's responses by January 20, 2016.

Commission Staff proposed a new procedural schedule to allow sufficient time for processing this application. The proposed procedural schedule is adopted:

Event	Date
Agreed upon revised deadline for the City of Three Rivers to respond to Commission Staff's RFI 3-1	January 20, 2016
Deadline for Commission Staff to provide revised maps and certificates to the parties for review and consent, or propose a revised procedural schedule	March 8, 2016
Deadline for Parties to file signed consent forms with the Commission showing consent to revised maps and certificates	March 22, 2016
Deadline for Commission Staff to file a recommendation on final disposition or recommend an additional procedural schedule	March 25, 2016

SIGNED AT AUSTIN, TEXAS the 13th day of January 2016.
