PUBLIC UTILITY COMMISSION
FILING CLERK

Gentlemen:

In reference to Laguna Vista, Ltd. Notice dated April 8, 2015, Docket No. 44046, please consider this my request for a public hearing in reference to the transfer water and sewer/sell facilities to Laguna Tres, Inc. While I am aware of the effort put forth by Mr. Thomas to get adequate water for Laguna Vista Addition, I am not comfortable with Mr. Thomas being able to walk away from his responsibilities of complying with numerous citations, infraction (whatever you call it) in connection with the installation of the pipeline. I understand even the engineering firm also has failed to meet all the requirements by the state.

We would like for Mr. Thomas and the engineering firm to be held accountable for their responsibilities to both Laguna Vista, Ltd'd and the state. IF and WHEN those issues have been satisfied to your specifications, I have no problem with the requested transaction.
