**STATUS REPORT AND  
MOTION FOR CONTINUED ABATEMENT**

Come now Laguna Vista, Ltd. and Laguna Tres Inc., Applicants, and file this Status Report and Motion for Continued Abatement pursuant to Order No. 2 in this docket.

This application was previously abated at the request of the Applicants because their attorney, Mark Zeppa, had experienced a severe nerve degeneration disease beginning June 1, 2015. Mr. Zeppa spent approximately 45 days hospitalized for Miller-Fisher Syndrome and has since been confined to his home for in-house therapy and recuperation. On October 2, Mr. Zeppa was rehospitalized with a heretofore undetected cardiac problem which required a procedure to correct his pulse rate. He is now recovering at home and is unable to work out of his office, even on a part-time basis. Mr. Zeppa was advised October 9, 2015, that it would be at least 30 days before he could expect to resume a normal business routine.

For these reasons, the Applicants pray that the abatement of this application be continued. Applicants agree to file another status report in thirty days. PUC staff attorney Maria Faconti, has discussed this continued abatement with Mr. Zeppa and has agreed to it. Continuing abatement does not have an adverse impact on any other party claiming to be affected by this application.
