STATUS REPORT AND MOTION FOR CONTINUED ABATEMENT

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Status Report and Motion for Continued Abatement and would show the following:

I. BACKGROUND

This application was previously abated at the request of the Applicants due to illness of their attorney. The illness is prolonged and requires an extended recovery period. Counsel for Applicants advised Staff on December 30, 2015 that his recovery would require at least another two months, which is longer than anticipated, and further continuance is thus needed.

II. ABATEMENT REQUEST

In order to accommodate Applicants, Staff has no objection to the abatement of this application being continued. The parties agree to file another status report in thirty days. Continuing abatement does not have an adverse impact on any other party claiming to be affected by this application.

Respectfully Submitted,
