STATUS UPDATE AND MOTION FOR CONTINUED ABATEMENT

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Status Update and Motion for Continued Abatement in response to SOAH Order No. 5 and would show the following:

I. BACKGROUND

This application was previously abated at the request of the Applicants due to illness of their attorney. The illness is prolonged and requires an extended recovery period. Counsel for Applicants advised Staff on March 1, 2016 that his recovery continues to take longer than anticipated, and further continuance is thus needed.

II. ABATEMENT REQUEST

In order to accommodate Applicants, Staff has no objection to the abatement of this application being continued. The parties agree to file another status update in 30 days. Continuing abatement does not have an adverse impact on any other party claiming to be affected by this application.

III. CONCLUSION

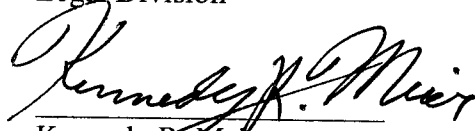

For the reasons detailed above, Staff respectfully requests that an order be issued consistent with this status update and that the parties be given 30 days to file another status update.
