**ORDER NO. 2
FINDING APPLICATION ADMINISTRATIVELY
INCOMPLETE AND REQUIRING FILINGS**

On January 29, 2015, Public Utility Commission of Texas (Commission) Staff filed a recommendation on administrative completeness of this application. Commission Staff determined that the application contains material deficiencies, as specifically described in Commission Staff's attached Water Utilities Division's memorandum. Commission Staff recommended that Laguna Vista, Ltd. (Laguna Vista) and Laguna Tres Inc. (Laguna Tres) be afforded additional time to amend the application in order to cure the deficiencies identified by Commission Staff and submit a revised proposed notice.

For the foregoing reasons, the application is administratively incomplete. On or before **March 4, 2015**, Laguna Vista and Laguna Tres shall file an amended application, which cures the deficiencies identified by Commission Staff and submit a revised proposed notice.

On or before **April 1, 2015**, Commission Staff shall file a supplemental recommendation regarding the sufficiency of the amended application and revised notice.

SIGNED AT AUSTIN, TEXAS on the 29th day of January 2015.
