ORDER NO. 1

**MEMORIALIZING PREHEARING CONFERENCE;
ESTABLISHING PROCEDURAL SCHEDULE; AND NOTICE OF HEARING**

This Order confirms actions taken at the preliminary hearing in the above-captioned matter, held on June 6, 2006, in Austin, Texas.

JURISDICTION

Based upon documents placed in the record at the preliminary hearing, which demonstrated adequate public notice of this action and of the scheduling of the preliminary hearing, the Administrative Law Judge (ALJ) concluded that jurisdiction over this matter on the part of the Texas Commission on Environmental Quality (TCEQ) and the State Office of Administrative Hearings (SOAH) had been formally confirmed.

PARTIES

The following are designated as parties to this proceeding:

- * The applicant, City of College Station
- * The Executive Director of the TCEQ
- * The Public Interest Counsel (PIC) of the TCEQ
- * The following persons or organizations (represented by Robin Melvin, Attorney) who oppose the application:

J.W. McFarlane, Trustee
Edward & Sue Valenta
McFarlane Interests, Ltd.
Mary Chester Dubois Trust & Lionel Pierre II Trust
Eliza Wooten Ryder
Sean Eubanks
Duck Haven, Ltd.

Smiling Mallard Development, Ltd.
Indian Lakes HOA
Paul Clarke

- * Main Street Homes-CS
- * Wellborn Special Utility District
- * Stella Wilkes

AGREED SCHEDULE

The parties have agreed to the following schedule, which the ALJ hereby adopts, for this proceeding:

- | | |
|--------------------|---|
| * August 7, 2006: | Beginning of discovery, including written discovery and depositions. |
| * August 21, 2006: | Parties identify expert and fact witness that will be called during their direct case and supply information specified in TRCP 194. This does not need to be provided to ALJ. |
| * September 11: | Last day to serve written discovery. |
| * October 12 : | Deadline for responses to written discovery. |
| * November 13: | Deadline for applicant to pre-file all exhibits and testimony for its direct case. |

- * December 13: Deadline for all parties (except applicant and Executive Director) to pre-file all exhibits and testimony for their direct cases.
- * January 16, 2007: Deadline for Executive Director to pre-file all exhibits and testimony for direct case.
- * January 29: Deadline to complete any depositions or to supplement discovery responses.
- * February 5: Deadline for submitting any objections to pre-filed testimony and exhibits.

Deadline for submitting any dispositive motions.
- * February 12: Deadline for responses to objections to pre-filed testimony and exhibits or to any dispositive motions.
- * February 19: Pre-hearing conference at 10 a.m., if needed, to consider objections to pre-filed testimony and other pre-hearing matters.
- * **March 6-8:** Evidentiary hearing (three days), to convene at **9 a.m.** in the William P. Clements Building, 300 W. 15th St., Austin, Tex. (Direct testimony will be limited to adopting each witness's pre-filed testimony and making any corrections to such pre-filed testimony.)

DISCOVERY

Discovery in this matter will be conducted in accordance with the Texas Rules of Civil Procedure (TRCP)—and specifically in accordance with TRCP 190.4 (Level 3 discovery)—except as provided in this order and subsequent orders issued by the ALJ in this proceeding. Discovery in this matter shall be compellable.

Parties should NOT file with the ALJ any discovery requests, responses to discovery requests, or similar discovery documents directed primarily to other parties, unless their submission becomes necessary to enable the ALJ to rule upon a discovery dispute.

Discovery Disputes. The parties are expected to attempt in good faith to resolve discovery disputes between themselves; however, significant disputes which cannot be resolved should be brought to the judge's attention—in the form of a written motion copied to all parties—as they occur. Any request for relief should include a copy of any discovery correspondence necessary for an informed ruling on the dispute.

While the parties are encouraged to negotiate discovery disputes, they are on notice that they are responsible for completing discovery within the overall scheduling framework for this proceeding. Parties may not avoid substantive deadlines and should not expect continuances if they have waited too long to bring unresolved problems or outstanding discovery requests to the ALJ's attention and have therefore failed to obtain discovery needed for the timely completion of preparations prior to hearing.

TIME ALLOCATIONS

To assure that the evidentiary hearing can be completed within the scheduled time period, the parties will be allocated specific amounts of time within which to complete their presentations (direct cases, cross-examination, and any rebuttal).

Experience indicates that one day of a hearing will yield about 6.5 hours of allocable time for presentations (13 hours for two days). Of course, as long as the parties are efficient in their utilization of hearing time, the ALJ will attempt to be somewhat flexible in administering any time limitations imposed.

CONFERRING BEFORE SEEKING RELIEF

The parties are directed to confer and attempt in good faith to negotiate an agreed resolution to all procedural and discovery disputes prior to seeking relief from the judge. Any party seeking relief shall certify that this attempt has been made.

APPLICABLE RULES

This hearing will be conducted in accordance with the TCEQ procedural rules (30 TAC Chap. 80) and other pertinent TCEQ and SOAH rules in effect on the date of the preliminary hearing.

MOTIONS: DELIVERY AND RESPONSES

Any motion filed in this proceeding shall be actually delivered to other parties the same day it is delivered to the ALJ. Motions (and other correspondence) may be delivered initially via FAX, followed by hard copy. Unless otherwise provided, parties may respond to any motion within five calendar days after receipt of such motion. Rulings will be based on the written pleadings unless the ALJ determines that a prehearing conference is necessary.

TELEPHONE CONFERENCES

If a party desires a telephone conference for any purpose, that party is responsible for arranging a time for the conference call and for setting up the call. The party must ascertain that the ALJ is available. If the assigned ALJ is unavailable on a given day and a ruling is needed immediately, the parties must consult the director of SOAH's Natural Resource Division, who will make provision for this contingency.

MAILING LIST

When submitting to the ALJ any pleading or correspondence relating to this matter, the sender must submit the original of the document to the Docket Clerk of the TCEQ, whose address is noted on the attached mailing list. One copy should be provided to the ALJ and one copy to each other person on the mailing list.

PRESENTATION AND BURDEN OF PROOF

The applicant has the right to open and close and bears the burden of proof to show that the authorization sought is consistent with the public interest. Pertinent proofs are by a preponderance of the evidence. 30 TAC § 80.17.

GENERAL PROCEDURE

Unless a party clearly requests and justifies oral argument in its filings, rulings on all motions or matters that may arise will be made on the basis of the written pleadings.

Any document or matter ordered "due" by a certain date or time must be delivered to the receiving parties by such deadline. Unless otherwise noted, the delivery deadline on any prescribed date is 5 p.m. For purposes of calculating deadlines on responses and replies, the ALJ assumes that anything he receives is also received by the other parties on the same day.

PROCEDURAL QUESTIONS

Routine procedural and logistical questions may be directed to Norma Lopez at (512) 936-0712; however, please note that SOAH support personnel are not authorized to provide general advice or the interpretation of regulations or policy.
