**RE: City of College Station Application to Amend Certificate of Convenience and Necessity (CCN) No. 20126 in Brazos County; Application No. 35107-C**

Dear Dr. Ribisi:

The City of College Station has filed an application with the Texas Commission on Environmental Quality to amend its wastewater certificated area (Wastewater CCN No. 20126) in Brazos County. The application has been assigned Application No. 35107-C.

College Station Utilities sent notice of this application to landowners and utilities providing the same service within the requested area on October 21, 2005. Since the initial letters were sent out, College Station Utilities has discovered that the acreage figure in the initial notice was incorrect. The correct figure for the acreage of the requested CCN area is 60,167 acres, not 60.167 acres.

Please find enclosed a corrected Notice of Application for CCN to Provide Wastewater Utility Service in Brazos County.

If you have any questions please feel free to contact Karl Goldapp at (979) 764-3659 or e-mail [kgoldapp@csbx.gov](mailto:kgoldapp@csbx.gov).

**RE: City of College Station Application to Amend Certificate of Convenience and Necessity (CCN) No. 20126 in Brazos County; Application No. 35107-C**

Dear Mr. Jones:

The City of College Station has filed an application with the Texas Commission on Environmental Quality to amend its wastewater certificated area (Wastewater CCN No. 20126) in Brazos County. The application has been assigned Application No. 35107-C.

College Station Utilities sent notice of this application to landowners and utilities providing the same service within the requested area on October 21, 2005. Since the initial letters were sent out, College Station Utilities has discovered that the acreage figure in the initial notice was incorrect. The correct figure for the acreage of the requested CCN area is 60,167 acres, not 60.167 acres.

Please find enclosed a corrected Notice of Application for CCN to Provide Wastewater Utility Service in Brazos County.

If you have any questions please feel free to contact Karl Goldapp at (979) 764-3659 or e-mail [kgoldapp@cstx.gov](mailto:kgoldapp@cstx.gov).
