

10. Quik Print-Bee Cave sent all 771 of the customer letters mailed to Aqua Texas' Briarcreek customers via First Class U.S. Mail.

11. The 771 copies of **Exhibit B** were mailed as a stand-alone letter to Aqua Texas' customers. The customer letter was not included in a regular bill mailing by Aqua Texas in order to meet the TCEQ's requested re-notice deadline.

12. As reflected in **Exhibit C**, Aqua Texas paid Quik Print-Bee Cave a total of \$649.14 for its services in connection with the Briarcreek customer letter mail-outs.

Further affiant sayeth not.

February 16, 2012

Dear Aqua Texas Customer:

In December 2011, Aqua Texas (Aqua) mailed you a notice regarding a water rate/tariff change filed with the Texas Commission on Environmental Quality (TCEQ) on December 22, 2011. TCEQ has designated that application as Application Nos. 37234-R and 37235-R.

Aqua was informed by TCEQ that its records show the amount identified as the current/existing "Late Charge" fee on Page SW-10 of the Southwest Region notice applicable to Aqua's Briarcreek Subdivision water system is **10%**, not \$5.00 as indicated. The pending application proposes a Late Charge of 10% so, in fact, there will be no change to this rate.

Aqua was also informed that TCEQ records show a current/existing "Customer Service Inspection Fee" of **\$75.00** and a "Lock Removal or Damage Fee" of **\$10.00**, rather than \$0 for those fees as indicated on Page SW-10 of the Southwest Region notice. The pending application proposes a Customer Service Inspection Fee of \$100.00 and an Illegal Reconnection, Lock Removal, or Damage Fee of \$85.00, in line with the miscellaneous fees proposed for the rest of Aqua's Southwest Region.

Please call Aqua at 877.WTR.AQUA (877.987.2782) if you have any questions about this correction.

Sincerely,

Robert L. Laughman  
President

**AFFIDAVIT**

State of Texas                   §  
  §  
County of Travis               §

BEFORE me, the undersigned authority, personally appeared Jon Morningstar, who, being by me duly sworn, deposed as follows:

1. My name is Jon Morningstar. I am capable of making this Affidavit. The facts stated in this Affidavit are within my personal knowledge and are true and correct.
2. I am the Manager of Quik Print-Bee Cave, located at 2804 Bee Caves Road, Austin, Texas 78746.
3. In my capacity as Manager of Quik Print-Bee Cave, I was contacted by Mr. Kurt Scheibelhut of Aqua Utilities, Inc., Aqua Development, Inc. and Aqua Texas, Inc. d/b/a Aqua Texas ("Aqua Texas") regarding a mass mail-out that Aqua Texas needed to perform on an expedited basis on February 16, 2012.
4. Aqua Texas engaged Quik Print-Bee Cave for the purpose of mailing the Aqua Texas Briarcreek Subdivision water system ("Briarcreek") customer letter attached hereto as **Exhibit A**.
5. Quik Print-Bee Cave is a "bulk mailer" that routinely mails out advertising vouchers, catalogs, papers, announcements and the like, for third parties on a commercial basis.
6. Mr. Scheibelhut provided me with the electronic list of addresses on February 16, 2012 containing the addresses of requested recipients for the Aqua Texas Briarcreek customer letter mailing.
7. On February 17, 2012, I supervised the mail-out of the Briarcreek customer letter to the 771 addresses on the electronic lists. I personally delivered the 771 items to the custody of the U.S. Postal Service at the U.S. Post Office located at 8225 Cross Park Dr., Austin, Texas on February 17, 2012.
8. The customer letter was mailed to all requested Briarcreek recipients identified on the lists provided by Mr. Scheibelhut separate from a regular bill mailing by Aqua Texas.
9. Aqua Texas paid Quik Print-Bee Cave a total of \$649.14 for its services in connection with the mail-outs.

Further affiant sayeth not.

Jon Morningstar

Quik Print-Bee Cave

SWORN TO and SUBSCRIBED before me by Jon Morningstar on February 20,  
2012.

**ATTACHMENT 10**

**AFFIDAVIT**

State of Texas           §  
                                  §  
County of Travis       §

BEFORE me, the undersigned authority, personally appeared Kurt Scheibelhut, who, being by me duly sworn, deposed as follows:

1. My name is Kurt Scheibelhut, I am of sound mind, capable of making this affidavit, and personally acquainted with the facts herein stated.
2. I hereby file the customer letter attached hereto as **Exhibit B** in my capacity as *Controller* of Aqua Texas, Inc., Aqua Utilities, Inc., Aqua Development, Inc., Harper Water Company, Inc., and Kerrville South Water Company, Inc. d/b/a Aqua Texas ("Aqua Texas"). In such capacity, I am qualified and authorized to file and verify such document. I hereby verify such document and that all statements made and matters set forth herein are true and correct.
3. The document attached labeled as **Exhibit A** is an exact duplicate of an original Aqua Texas business record. **Exhibit A**, a list of Aqua Texas' customers served by Aqua Texas' Saddle Club Estates water system ("Saddle Club Estates"), was made at or near the time by or from information transmitted by a person with knowledge and is kept in the course of regularly conducted business activity. I am a person responsible for keeping such records for Aqua Texas, and Aqua Texas keeps such records in the regular course of business.
4. In my capacity as *Controller* for Aqua Texas, I prepared an electronic version of **Exhibit A**. That list was prepared to fulfill the Texas Commission on Environmental Quality's requirement that a customer letter re-noticing affected customers, attached hereto as **Exhibit B**, be sent to all of Aqua Texas' Saddle Club Estates customers.
5. **Exhibit A** contains the address information kept by Aqua Texas for all of its Saddle Club Estates customers as of February 16, 2012.
6. I prepared the electronic version of **Exhibit A** on February 16, 2012. The names and addresses in **Exhibit A** were extracted from Aqua Texas' billing records.
7. In order to ensure that the customer letter was mailed to all Aqua Texas' Saddle Club Estates water customers, Aqua Texas engaged Quik Print-Bee Cave, located at 2804 Bee Caves Road, Austin, Texas 78746. Quik Print-Bee Cave is a "bulk mailer" that mails out advertising vouchers, catalogs, papers, announcements, and the like for third parties on a commercial basis.
8. On February 16, 2012, I delivered to Jon Morningstar an electronic version of **Exhibit A** and instructed Jon Morningstar to mail a copy of the customer letter attached as **Exhibit B** to each person or entity named in **Exhibit A**.
9. Attached hereto as **Exhibit C** is the Affidavit of Jon Morningstar, the Manager and person responsible at Quik Print-Bee Cave for Aqua Texas' mail-outs, further describing those mail-outs.

10. Quik Print-Bee Cave sent all 146 of the customer letters mailed to Aqua Texas' Saddle Club Estates customers via First Class U.S. Mail.

11. The 146 copies of **Exhibit B** were mailed as a stand-alone letter to Aqua Texas' customers. The customer letter was not included in a regular bill mailing by Aqua Texas in order to meet the TCEQ's requested re-notice deadline.

12. As reflected in **Exhibit C**, Aqua Texas paid Quik Print-Bee Cave a total of \$122.92 for its services in connection with the Saddle Club Estates customer letter mail-outs.

Further affiant sayeth not.

AQUA

February 16, 2012

Dear Aqua Texas Customer:

In December 2011, Aqua Texas (Aqua) mailed you a notice regarding a water rate/tariff change filed with the Texas Commission on Environmental Quality (TCEQ) on December 22, 2011. TCEQ has designated that application as Application Nos. 37234-R and 37235-R.

Aqua was informed by TCEQ that its records show the amount identified as the current/existing "Late Charge" fee on Page N-21 of the North Region notice applicable to Aqua's Saddle Club Estates water system is **\$5.00**, not "\$5.00 or 10%" as indicated. The pending application proposes a Late Charge of 10%. This proposed change will place Saddle Club Estates miscellaneous fees in line with the rest of Aqua's North Region.

Please call Aqua at 877.WTR.AQUA (877.987.2782) if you have any questions about this correction.

Sincerely,

  
Robert L. Laughman  
President

**AFFIDAVIT**

State of Texas                   §  
  §  
County of Travis               §

BEFORE me, the undersigned authority, personally appeared Jon Morningstar, who, being by me duly sworn, deposed as follows:

1. My name is Jon Morningstar. I am capable of making this Affidavit. The facts stated in this Affidavit are within my personal knowledge and are true and correct.
2. I am the Manager of Quik Print-Bee Cave, located at 2804 Bee Caves Road, Austin, Texas 78746.
3. In my capacity as Manager of Quik Print-Bee Cave, I was contacted by Mr. Kurt Scheibelhut of Aqua Utilities, Inc., Aqua Development, Inc. and Aqua Texas, Inc. d/b/a Aqua Texas ("Aqua Texas") regarding a mass mail-out that Aqua Texas needed to perform on an expedited basis on February 16, 2012.
4. Aqua Texas engaged Quik Print-Bee Cave for the purpose of mailing the Aqua Texas Saddle Club Estates water system ("Saddle Club Estates") customer letter attached hereto as **Exhibit A**.
5. Quik Print-Bee Cave is a "bulk mailer" that routinely mails out advertising vouchers, catalogs, papers, announcements and the like, for third parties on a commercial basis.
6. Mr. Scheibelhut provided me with the electronic list of addresses on February 16, 2012 containing the addresses of requested recipients for the Aqua Texas Saddle Club Estates customer letter mailing.
7. On February 17, 2012, I supervised the mail-out of the Saddle Club Estates customer letter to the 146 addresses on the electronic lists. I personally delivered the 146 items to the custody of the U.S. Postal Service at the U.S. Post Office located at 8225 Cross Park Dr., Austin, Texas on February 17, 2012.
8. The customer letter was mailed to all requested Saddle Club Estates recipients identified on the lists provided by Mr. Scheibelhut separate from a regular bill mailing by Aqua Texas.
9. Aqua Texas paid Quik Print-Bee Cave a total of \$122.92 for its services in connection with the mail-outs.

Further affiant sayeth not.

REC'D  
VAL. DIV.  
2011 DEC 22 AM 9 01

BEFORE me, the undersigned authority, personally appeared Kurt Scheibelhut, who, being by me duly sworn, deposed as follows:

1. My name is Kurt Scheibelhut, I am of sound mind, capable of making this affidavit, and personally acquainted with the facts herein stated.
2. I, Kurt Scheibelhut, being duly sworn, file the NOTICE OF PROPOSED RATE CHANGE for Aqua Texas' North and Southwest Regions as Regional Director of Accounting of Aqua Texas, Inc. d/b/a Aqua Texas ("Aqua Texas"), attached hereto as **Exhibits B and C**. In such capacity, I am qualified and authorized to file and verify such NOTICES. I hereby verify such NOTICES and that all statements made and matters set forth herein are true and correct.
3. The document attached labeled as **Exhibit A** is an exact duplicate of an original Aqua Texas business record. **Exhibit A**, lists of Aqua Texas' customers in its North and Southwest Regions, was made at or near the time by or from information transmitted by a person with knowledge and is kept in the course of regularly conducted business activity. I am a person responsible for keeping such records for Aqua Texas, and Aqua Texas keeps such records in the regular course of business.
4. In my capacity as Regional Director of Accounting for Aqua Texas, I prepared an electronic version of **Exhibit A**. That list was prepared to fulfill the Texas Commission on Environmental Quality's requirement that Notice of a Rate/Tariff Change Application, attached hereto as **Exhibits B and C**, be sent to all of Aqua Texas' affected customers.
5. **Exhibit A** contains the address information kept by Aqua Texas for all of its customers in the North and Southwest Regions as of December 9, 2011.
6. The electronic version of **Exhibit A** was prepared by me on or before December 9, 2011. The names and addresses in **Exhibit A** were extracted from Aqua Texas' billing records.
7. In order to ensure that the NOTICES were mailed to all affected Aqua Texas customers in the North and Southwest Region, Aqua Texas engaged Quik Print-Bee Cave, located at 2804 Bee Caves Road, Austin, Texas 78746. Quik Print-Bee Cave is a "bulk mailer." It mails out advertising vouchers, catalogs, papers, announcements, and the like, on a commercial basis.
8. On or before December 14, 2011, I delivered to Jon Morningstar an electronic version of **Exhibit A** and instructed Jon Morningstar to mail a copy of the NOTICES attached as **Exhibits B and C** to each person or entity named in **Exhibit A**.

9. Attached hereto as **Exhibit D** is the Affidavit of Jon Morningstar, the Manager and person responsible at Quik Print-Bee Cave for Aqua Texas' mail-outs, further describing those mail-outs.
10. Quik Print-Bee Cave sent all 30,221 of the Notices mailed to Aqua Texas' customers in the North and Southwest Regions via First Class U.S. Mail.
11. The 30,221 copies of **Exhibit B** and **C** were mailed as a stand-alone notice to Aqua Texas' customers. The NOTICE was not included in a regular bill mailing by Aqua Texas.
12. As reflected in **Exhibit D**, Aqua Texas paid Quik Print-Bee Cave a total of \$72,163.94 for its services in connection with the mail-outs."

Further affiant sayeth not.

December 16, 2011

Dear Eagle's Bluff Customer:

On or before December 23, 2011, Aqua Texas (Aqua) will file a request to increase water rates in our North Texas region, which includes your service area. **This is Aqua's first request for a base rate increase in more than seven years, and it affects only your water rates, not your sewer rates.** Information about your current and proposed new rates accompanies this letter. (Please be aware that Aqua previously notified you of this rate request in a letter last January, but we withdrew that request and postponed it until now.) **Even with the proposed increase, an average Aqua customer would pay a little more than a penny per gallon for water.**

This rate request is necessary to enable Aqua to recover \$36.1 million — about \$2,200 per customer — that we have spent since 2004, most of which we invested to improve water quality, service and reliability for about 52,500 residents throughout North Texas. We continued to meet increasingly stringent state and federal environmental standards by drilling new water supply wells, installing new water mains and stand-by power generators, increasing storage capacity and making other infrastructure improvements. These capital improvement costs represent about 85 percent of Aqua's proposed increase. The significant infrastructure investment made over the past seven years now enables your water system to meet all federal and state drinking water standards.

In Eagle's Bluff, Aqua drilled a new water well to meet peak demands and installed a stand-by power generator at the water plant to keep customers in service during a power outage. We also constructed an 84,000-gallon ground storage tank to improve the deliverability of water.

We understand that customers are concerned about bill increases of any amount, but Aqua must make timely and prudent investments in wells, treatment plants, and water mains to help ensure quality, dependable water service for our customers. Although we had to make these necessary capital improvements to bring the North Texas systems' water infrastructure up to today's standards, we're committed to keeping water rates as low as possible in the future. In fact, Aqua's operations and maintenance cost per customer in North Texas has increased only slightly — and less than inflation — since 2004.

Aqua looks forward to providing our customers with a high-quality, sustainable source of water in the years to come. If you have any questions about your service or bill, please call Aqua at 877.WTR.AQUA (877.987.2782).

Sincerely,

Robert L. Laughman  
President

December 16, 2011

Dear Holiday Estates Customer:

On or before December 23, 2011, Aqua Texas (Aqua) will file a request to increase water rates in our North Texas region, which includes your service area. Information about your current and proposed new rates accompanies this letter. (Please be aware that Aqua previously notified you of this rate request in a letter last January, but we withdrew that request and postponed it until now.) **Even with the proposed increase, an average Aqua customer would pay a little more than a penny per gallon for water.**

This rate request is necessary to enable Aqua to recover \$36.1 million — about \$2,200 per customer — that we have spent since 2004, most of which we invested to improve water quality, service and reliability for about 52,500 residents throughout North Texas. Aqua typically spends more per customer after acquiring smaller systems such as yours to ensure that we continue to meet increasingly stringent state and federal environmental standards by drilling new water supply wells, installing new water mains and stand-by power generators, increasing storage capacity, and making other infrastructure improvements. These capital improvement costs represent about 85 percent of Aqua's proposed increase.

Examples of Aqua's improvements at Holiday Estates include the installation of new radio-frequency meters that can be read without accessing our customers' properties and the replacement of flush valves throughout the system to maintain high drinking water quality. Aqua also developed a distribution system map so that we can accurately and quickly identify valves and flush valves during emergencies.

We understand that customers are concerned about bill increases of any amount, but Aqua must make timely and prudent investments in wells, treatment plants, and water mains to help ensure quality, dependable water service for our customers. Although we had to make these necessary capital improvements to bring the North Texas systems' water infrastructure up to today's standards, we're committed to keeping water rates as low as possible in the future. In fact, Aqua's operations and maintenance cost per customer in North Texas has increased only slightly — and less than inflation — since 2004.

Aqua looks forward to providing our customers with a high-quality, sustainable source of water in the years to come. If you have any questions about your service or bill, please call Aqua at 877.WTR.AQUA (877.987.2782).

December 16, 2011

Dear Blue Water Shores, Lakeside Hills and River Run Customer:

On or before December 23, 2011, Aqua Texas (Aqua) will file a request to increase water rates in our North Texas region, which includes your service area. Information about your current and proposed new rates accompanies this letter. (Please be aware that Aqua previously notified you of this rate request in a letter last January, but we withdrew that request and postponed it until now.) **Even with the proposed increase, an average Aqua customer would pay a little more than a penny per gallon for water.**

This rate request is necessary to enable Aqua to recover \$36.1 million — about \$2,200 per customer — that we have spent since 2004, most of which we invested to improve water quality, service and reliability for about 52,500 residents throughout North Texas. Aqua typically spends more per customer after acquiring smaller systems such as yours to ensure that we continue to meet increasingly stringent state and federal environmental standards by drilling new water supply wells, installing new water mains and stand-by power generators, increasing storage capacity, and making other infrastructure improvements. These capital improvement costs represent about 85 percent of Aqua's proposed increase.

In Hood County, Aqua installed a stand-by generator to keep both the Blue Water Shores water and wastewater plants operational during a power outage. We installed an interconnection between the Lakeside Hills and Hunterwood water systems to provide a backup water supply, and we replaced old water meters with new radio-frequency meters that can be read without accessing our customers' properties.

We understand that customers are concerned about bill increases of any amount, but Aqua must make timely and prudent investments in wells, treatment plants, and water mains to help ensure quality, dependable water service for our customers. Although we had to make these necessary capital improvements to bring the North Texas systems' water infrastructure up to today's standards, we're committed to keeping water rates as low as possible in the future. In fact, Aqua's operations and maintenance cost per customer in North Texas has increased only slightly — and less than inflation — since 2004.

Aqua looks forward to providing our customers with a high-quality, sustainable source of water in the years to come. If you have any questions about your service or bill, please call Aqua at 877.WTR.AQUA (877.987.2782).

December 16, 2011

Dear Saddle Club Customer:

On or before December 23, 2011, Aqua Texas (Aqua) will file a request to increase water rates in our North Texas region, which includes your service area. Information about your current and proposed new rates accompanies this letter. (Please be aware that Aqua previously notified you of this rate request in a letter last January, but we withdrew that request and postponed it until now.) **Even with the proposed increase, an average Aqua customer would pay a little more than a penny per gallon for water.**

This rate request is necessary to enable Aqua to recover \$36.1 million — about \$2,200 per customer — that we have spent since 2004, most of which we invested to improve water quality, service and reliability for about 52,500 residents throughout North Texas. Aqua typically spends more per customer after acquiring smaller systems such as yours to ensure that we continue to meet increasingly stringent state and federal environmental standards by drilling new water supply wells, installing new water mains and stand-by power generators, increasing storage capacity, and making other infrastructure improvements. These capital improvement costs represent about 85 percent of Aqua's proposed increase.

In Saddle Club, Aqua acquired land and drilled a new water well to improve deliverability and water quality during peak demand periods. We also installed remote controls at all wells to better manage peak demand situations, and we replaced old water meters with new radio-frequency meters that can be read without accessing our customers' properties.

We understand that customers are concerned about bill increases of any amount, but Aqua must make timely and prudent investments in wells, treatment plants, and water mains to help ensure quality, dependable water service for our customers. Although we had to make these necessary capital improvements to bring the North Texas systems' water infrastructure up to today's standards, we're committed to keeping water rates as low as possible in the future. In fact, Aqua's operations and maintenance cost per customer in North Texas has increased only slightly — and less than inflation — since 2004.

Aqua looks forward to providing our customers with a high-quality, sustainable source of water in the years to come. If you have any questions about your service or bill, please call Aqua at 877.WTR.AQUA (877.987.2782).

December 16, 2011

Dear Shell Shores/Cedar Bay Customer:

On or before December 23, 2011, Aqua Texas (Aqua) will file a request to increase water rates in our North Texas region, which includes your service area. Information about your current and proposed new rates accompanies this letter. (Please be aware that Aqua previously notified you of this rate request in a letter last January, but we withdrew that request and postponed it until now.) **Even with the proposed increase, an average Aqua customer would pay a little more than a penny per gallon for water.**

This rate request is necessary to enable Aqua to recover \$36.1 million — about \$2,200 per customer — that we have spent since 2004, most of which we invested to improve water quality, service and reliability for about 52,500 residents throughout North Texas. Aqua typically spends more per customer after acquiring smaller systems such as yours to ensure that we continue to meet increasingly stringent state and federal environmental standards by drilling new water supply wells, installing new water mains and stand-by power generators, increasing storage capacity, and making other infrastructure improvements. These capital improvement costs represent about 85 percent of Aqua's proposed increase.

Aqua drilled a new water well for customers in Shell Shores/Cedar Bay to meet peak demands and installed an interconnection from Shell Shores/Cedar Bay to Eagle's Bluff. We installed a stand-by power generator at the water plant to keep customers in service during a power outage, constructed an 84,000-gallon ground storage tank to improve deliverability of water, replaced more than 60 long service connections for better flow and pressure, and replaced old water meters with new radio-frequency meters.

We understand that customers are concerned about bill increases of any amount, but Aqua must make timely and prudent investments in wells, treatment plants, and water mains to help ensure quality, dependable water service for our customers. Although we had to make these necessary capital improvements to bring the North Texas systems' water infrastructure up to today's standards, we're committed to keeping water rates as low as possible in the future. In fact, Aqua's operations and maintenance cost per customer in North Texas has increased only slightly — and less than inflation — since 2004.

December 16, 2011

Dear Stony Hill/Spring Hill Customer:

On or before December 23, 2011, Aqua Texas (Aqua) will file a request to increase water rates in our North Texas region, which includes your service area. Information about your current and proposed new rates accompanies this letter. (Please be aware that Aqua previously notified you of this rate request in a letter last January, but we withdrew that request and postponed it until now.) **Even with the proposed increase, an average Aqua customer would pay a little more than a penny per gallon for water.**

This rate request is necessary to enable Aqua to recover \$36.1 million — about \$2,200 per customer — that we have spent since 2004, most of which we invested to improve water quality, service and reliability for about 52,500 residents throughout North Texas. Aqua typically spends more per customer after acquiring smaller systems such as yours to ensure that we continue to meet increasingly stringent state and federal environmental standards by drilling new water supply wells, installing new water mains and stand-by power generators, increasing storage capacity, and making other infrastructure improvements. These capital improvement costs represent about 85 percent of Aqua's proposed increase.

Aqua's improvements at Spring Hill and Stony Hill include the installation of new radio-frequency meters that can be read without accessing our customers' properties. Aqua has also conducted a variety of hydro-geologic studies throughout the area to confirm adequate water supply for the Stony Hill and Spring Hill communities in the future.

We understand that customers are concerned about bill increases of any amount, but Aqua must make timely and prudent investments in wells, treatment plants, and water mains to help ensure quality, dependable water service for our customers. Although we had to make these necessary capital improvements to bring the North Texas systems' water infrastructure up to today's standards, we're committed to keeping water rates as low as possible in the future. In fact, Aqua's operations and maintenance cost per customer in North Texas has increased only slightly — and less than inflation — since 2004.

Aqua looks forward to providing our customers with a high-quality, sustainable source of water in the years to come. If you have any questions about your service or bill, please call Aqua at 877.WTR.AQUA (877.987.2782).

Sincerely,

Robert L. Laughman  
President

December 16, 2011

Dear T&A and VLS Customer:

On or before December 23, 2011, Aqua Texas (Aqua) will file a request to increase water rates in our North Texas region, which includes your service area. Information about your current and proposed new rates accompanies this letter. (Please be aware that Aqua previously notified you of this rate request in a letter last January, but we withdrew that request and postponed it until now.) **Even with the proposed increase, an average Aqua customer would pay a little more than a penny per gallon for water.**

This rate request is necessary to enable Aqua to recover \$36.1 million — about \$2,200 per customer — that we have spent since 2004, most of which we invested to improve water quality, service and reliability for about 52,500 residents throughout North Texas. Aqua typically spends more per customer after acquiring smaller systems such as yours to ensure that we continue to meet increasingly stringent state and federal environmental standards by drilling new water supply wells, installing new water mains and stand-by power generators, increasing storage capacity, and making other infrastructure improvements. These capital improvement costs represent about 85 percent of Aqua's proposed increase.

Examples of Aqua's improvements to the T&A and VLS systems include the rehabilitation of the T&A water supply well to improve deliverability, the acquisition of water line easements to install an interconnection between VLS and the City of Waco, and the completion of the interconnection. Aqua also installed new radio-frequency meters that can be read without accessing our customers' properties.

We understand that customers are concerned about bill increases of any amount, but Aqua must make timely and prudent investments in wells, treatment plants, and water mains to help ensure quality, dependable water service for our customers. Although we had to make these necessary capital improvements to bring the North Texas systems' water infrastructure up to today's standards, we're committed to keeping water rates as low as possible in the future. In fact, Aqua's operations and maintenance cost per customer in North Texas has increased only slightly — and less than inflation — since 2004.

Aqua looks forward to providing our customers with a high-quality, sustainable source of water in the years to come. If you have any questions about your service or bill, please call Aqua at 877.WTR.AQUA (877.987.2782).

Sincerely,

December 16, 2011

Dear Aqua Texas Customer:

On or before December 23, 2011, Aqua Texas (Aqua) will file a request to increase water rates in our North Texas region, which includes your service area. **This is Aqua's first request for a base rate increase in more than seven years, and it affects only your water rates, not your sewer rates.** Information about your current and proposed new rates accompanies this letter. (Please be aware that Aqua previously notified you of this rate request in a letter last January, but we withdrew that request and postponed it until now.)

You might recall that, until last January, Aqua had collected a monthly surcharge of nearly \$12.50 to recover expenses related to our 2004 rate request. In this current rate request, Aqua plans to recover expenses in the base rate instead of a surcharge. The base rate for most customers would increase by about \$11.20 per month, but your bill won't include any surcharges. **Even with the proposed increase, an average Aqua customer would pay a little more than a penny per gallon for water.**

This rate request is necessary to enable Aqua to recover \$36.1 million — about \$2,200 per customer — that we have spent since 2004, most of which we invested to improve water quality, service and reliability for about 52,500 residents throughout North Texas. We continued to meet increasingly stringent state and federal environmental standards by drilling new water supply wells, installing new water mains and stand-by power generators, increasing storage capacity and making other infrastructure improvements. These capital improvement costs represent about 85 percent of Aqua's proposed increase. The significant infrastructure investment made over the past seven years now enables your water system to meet all federal and state drinking water standards.

We understand that customers are concerned about bill increases of any amount, but Aqua must make timely and prudent investments in wells, treatment plants, and water mains to help ensure quality, dependable water service for our customers. Although we had to make these necessary capital improvements to bring the North Texas systems' water infrastructure up to today's standards, we're committed to keeping water rates as low as possible in the future. In fact, Aqua's operations and maintenance cost per customer in North Texas has increased only slightly — and less than inflation — since 2004.

Aqua looks forward to providing our customers with a high-quality, sustainable source of water in the years to come. If you have any questions about your service or bill, please call Aqua at 877.WTR.AQUA (877.987.2782).

Sincerely,

Robert L. Laughman  
President

## NOTICE OF PROPOSED RATE CHANGE

Aqua Texas, Inc., Aqua Utilities, Inc., Aqua Development, Inc. ("Aqua Texas") CCN Numbers 11157, 12902 and 13201

1106 Clayton Lane, Suite 400W Austin, Texas 78723

(512) 990-4400

Company Address

Telephone Number

have submitted a rate/tariff change application affecting nearly all Aqua Texas North Region water ratepayers to the Texas Commission on Environmental Quality (Commission) and with each North Region city in which they provide retail water utility service. The application filed with the Commission is identical to the rate/tariff change application filed with each municipality in which the utility provides retail water utility service. The proposed rates, fees, charges and tariff provisions listed on the following pages will apply to retail water utility service received after the effective date provided below. If the Commission or a City receives protests to the proposed increase from 10 percent of the ratepayers or from any affected municipality before the 91st day after the proposed effective date, a public hearing will be scheduled to determine if the proposed rates are reasonable. Protests from ratepayers with active metered Aqua Texas connections not located within the corporate limits of a municipality should be mailed to:

**Texas Commission on Environmental Quality  
Water Supply Division  
Utilities & Districts Section, MC 153  
P. O. Box 13087  
Austin, Texas 78711-3087**

Unless protests are received from 10 percent of the ratepayers or the Commission staff requests a hearing, no hearing will be held and rates will be effective as proposed. Please read the following information carefully:

### Subdivisions or Systems Affected by Rate Change

(This Rate Change affects nearly all Aqua Texas North Region water ratepayers - See lists on pages 5-9 for more detail.)

Comparison of Existing and Proposed Rates at 5,000, 10,000 & 30,000 gallons (Please see following pages.)

Schedule of Proposed Rates, Fees, Adjustment Clauses, Future Rate Filings and Surcharges –  
(Please see following pages.)

\$4,343,091  
Annual Revenue Increase

On or before December 23, 2011  
Date Customers Notices Mailed

July 13, 2004 (modified by TCEQ Commission Order effective January 1, 2009)  
Date of Last Rate Change

Daily Throughout each month  
Date meters Typically Read

**EFFECTIVE DATE OF PROPOSED INCREASE: February 21, 2012**

The proposed rates will apply to all retail water utility service rendered after the effective date and will be reflected on the first water bill you receive after the effective date. The first water bill you receive after the effective date will be prorated to apply the proposed rates to service during those days in the billing cycle when the proposed rates were in effect. All bills received thereafter will be calculated using only the proposed rates.

In the event that the application is set for hearing, the specific rates requested by the utility may be decreased or increased by order of the Commission. If the Commission orders a lower rate to be set, the utility may be ordered to refund or credit against future bills all sums collected during the pendency of the rate proceeding in excess of the rate finally ordered plus interest. You may inspect a copy of the rate/tariff change application at Aqua Texas' office at 9450 Silver Creek, Fort Worth, Texas or at the Commission's office at Park 35 - Building F, 12015 Park 35 Circle, Suite 3101, Austin, Texas, west side of IH-35, south of Yager Lane. Additional information about the application can be obtained by contacting the Utilities and Districts Section at 512/239-4691. Information about how you can participate in the rate setting process can be obtained by contacting the Public Interest Counsel at 512/239-6363.
