NOTICE OF APPLICATION FOR CERTIFICATE OF CONVENIENCE AND
NECESSITY (CCN) TO PROVIDE WATER/SEWER UTILITY IN DALLAS AND
ELLIS COUNTIES

To: Community Water Service
PO Box 800099
Mesquite, TX 75180 – 0099

Noticed Mailed December 16, 2005

The City of Ovilla has filed an application to amend CCN No. 11459 and to decertify portions of the City of Glenn Heights with the Texas Commission on Environmental Quality to provide water and sewer utility service in Dallas and Ellis Counties.

The proposed utility service area is located approximately one mile east of downtown Ovilla, Texas and is generally bounded on the north by Little Creek; on the east by Little Creek; on the south by Red Oak Creek Road; and the west by Westmoreland Road. See the enclosed map of the proposed service area.

The total area being requested includes approximately 500 acres and 89 current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number, (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P.O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for a final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
