**ORDER NO. 7
ESTABLISHING UPDATED PROCEDURAL SCHEDULE**

On January 25, 2016, Custom Water Company, LLC (Custom Water) filed supplemental financial statements, requesting a refund period of 180 days in response to Public Utility Commission of Texas (Commission) Staff's recommendation on final disposition.

On February 5, 2016, Commission Staff proposed an updated procedural schedule. Specifically, Commission Staff stated that the parties have resolved the handling of refunds in this docket, which provides a refund of the rates paid by Custom Water customers from March 20 to September 22, 2015, over and above the final rates within 180 days of the date of a final order. Commission Staff reviewed Custom Water's supplemental financial statements and recommended approval. Because all issues regarding the refunds have been resolved, Commission Staff proposed an updated procedural schedule leading to final resolution.

Consistent with Commission Staff's proposal, the parties shall file, on or before **February 12, 2016**, a joint proposed order, including findings of fact, conclusions of law, and ordering paragraphs along with a request to admit evidence into the record of this proceeding.

SIGNED AT AUSTIN, TEXAS the 8th day of February 2016.
