RE: Docket No. 44236 – *Application of Custom Water Company, LLC for a Water Rate/Tariff Change*

Dear Judge Montelongo:

The above docket is set to be considered at the Open Meeting scheduled for April 14, 2016. Corrections or exceptions to the Proposed Order are due on or before April 6, 2016. The purpose of this letter is to inform you that Staff has identified an inaccuracy in Ordering Paragraph No. 1 of the Proposed Order. Ordering Paragraph No. 1 states that the application, as modified, is *approved*; however on November 2, 2015 Custom Water Company, LLC filed a request to withdraw its application, subject to certain refund provisions. The application and proposed rates should not be approved, and rates should revert back to previously-approved rates.

Staff respectfully recommends correcting Ordering Paragraph No. 1 as follows:

1. Custom Water's application is dismissed.

A copy of this letter will be served by fax on all parties to the above-referenced docket.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Daigneault".
