My name is Cris A. Lemon. My business address is 201 Clay Street, Nocona, Texas 76255. I am available for contact by business telephone (940)825-3113, cell phone (940)841-0113, or email at cris@noconacpa.com.

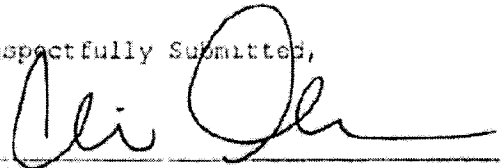

I graduated from Texas Tech University in 1988 with a Bachelor in Business Administration Degree Majoring in Accounting. Following graduation in 1989, I began practicing public accounting at Williams, Rogers & Co., P. C. in Plainview, Texas.

I have been licensed in the state of Texas as a Certified Public Accountant License #85638 since 1991. After obtaining my license, I continued working at Williams, Rogers & Co., P.C. as a staff accountant until starting my own practice in 1993 in the city of Nocona, Texas focusing on Small Business Accounting, including but not limited to tax preparation, audits, and financial services, while offering a vast field of expertise and experience in Governmental Accounting.

I have been a member of the American Institute of Certified Public Accountants as well as a member in good standing of the Texas Society of Certified Public Accountants since 1991.

My firm prepares all business and personal tax filings on a quarterly and annual basis for Mr. Edward A. Fenoulio, Sr. and has done so for a number of nonconsecutive years. It is my understanding the rate application filed by Custom Water Company, LLC for the test period September 1, 2013 to August 31, 2014 includes copies of the federal income tax filings for years 2013 and 2014, respectively. I am available and willing to provide assistance to my client with all matters presented to the Court by Commission Staff in regard to the aforementioned documentation.

Respectfully Submitted,
