**ORDER NO. 6  
FINDING GOOD CAUSE TO EXTEND AND REVISING DEADLINE**

On January 8, 2016, Public Utility Commission of Texas (Commission) Staff filed a request, pursuant to 16 Tex. Admin. Code § 22.4(b), for good cause to extend the time for filing a joint proposed order, including findings of fact, conclusions of law, and ordering paragraphs along with a request to admit evidence and proposed tariff (if necessary). Specifically, Commission Staff and Custom Water Company, LLC (Custom Water) request additional time to resolve outstanding issues related to the handling of refunds prior to finalizing their joint proposed order, request to admit evidence, and revised tariff. Commission Staff stated, although resolution is expected shortly, a good cause exception will enable Custom Water to file the needed supplemental information regarding refunds by January 22, 2016. Subsequently, Commission Staff can propose an updated procedural schedule for continued processing of this matter.

Consistent with the preceding, the Administrative Law Judge finds there is good cause to extend the deadline. Commission Staff's request is granted. Custom Water shall file the needed supplemental information regarding refunds by **January 22, 2016**, and Commission Staff shall propose, on or before **February 5, 2016**, an updated procedural schedule for this docket.

SIGNED AT AUSTIN, TEXAS the 12<sup>th</sup> day of January 2016.
