Re: Control Number Consolidation for Water Supply Corporations

House Bill (HB) 1600 and Senate Bill (SB) 567 83rd Legislature, Regular Session, transferred the functions relating to the economic regulation of water and sewer utilities from the TCEQ to the PUC effective September 1, 2014. Following this transfer of duties, multiple Docket Numbers were opened regarding Blackjack Water Supply Corporation tariff filings. Central Records has consolidated all the filings from Docket No. 56098 into Docket No. 44316.

The previously assigned Docket No. 56098 will be closed upon consolidation.

All future tariff updates and/or revisions should be filed in Docket No. 44316.

Please contact Central Records if you have any questions.
