YES PREP PUBLIC SCHOOLS, INC.'S NOTIFICATION OF CONNECTION OF SERVICE FROM SUNBELT FRESH WATER SUPPLY DISTRICT

COMES NOW YES Prep Public Schools, Inc. ("YES Prep") and files this Notification of Connection of Service from Sunbelt Fresh Water Supply District (Sunbelt FWSD).

1. On January 15, 2015, YES Prep filed an application with the Public Utility Commission of Texas (the Commission) for the issuance of an emergency order under 16 Tex. Admin. Code § 24.14 to allow YES Prep's North Central Campus to take water service from Sunbelt FWSD rather than Suburban Utility CO. (Suburban) because Suburban was not providing continuous and adequate service.
2. YES Prep and Suburban negotiated a Settlement Agreement, and on March 17, 2015, the Commission issued an Emergency Order, without a hearing, approving the Agreement.
3. A hearing on the Emergency Order was held on April 17, 2015, from which the Emergency Order remained the same.
4. The Emergency Order authorized Sunbelt FWSD to provide retail water service to YES Prep's North Central Campus, upon receipt of appropriate authorization from the Texas Commission on Environmental Quality (TCEQ) and any other local or state regulatory authorities, for a time period not to exceed ninety calendar days from the date of connection.
5. The connection of water service from Sunbelt FWSD to YES Prep's North Central Campus was made on Friday, October 16, 2015. Attached hereto as Exhibit A is an affidavit of Charles Klein, Director of Operations, Facilities Services for YES Prep attesting to this fact.
6. Per the Emergency Order, ninety days from the date of connection of service will be Thursday, January 14, 2016, at which time the Emergency Order will expire unless an extension is requested and granted.
