**ORDER NO. 1
REQUIRING COMMENTS/RECOMMENDATIONS REGARDING APPLICATION**

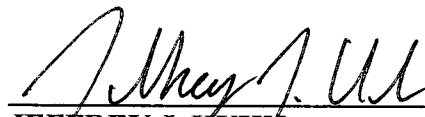

On January 15, 2015, YES Prep Public Schools (YES Prep) filed a request with the Public Utility Commission of Texas (Commission) to issue an emergency order pursuant to P.U.C. SUBST. R. 24.14 to enable YES Prep's charter school in Aldine (YES Prep's North Central Campus) to receive emergency water service from Sunbelt Fresh Water Supply District. YES Prep requests the Commission to issue this emergency order without a hearing as the provisions of P.U.C. SUBST. R. 24.14 allow.

YES Prep's North Central Campus is located within the retail water certificate of convenience and necessity of Suburban Water Company. YES Prep stated they have suffered numerous and significant water problems for some time at this location and attached a recent *Houston Chronicle* article dated November 16, 2014, as an example of the water problems experienced with water service provided by Suburban Water Company.

On or before **January 22, 2015**, Commission Staff shall file a response to the application, including comments regarding sufficiency of the application and propose a procedural schedule for processing this application.

SIGNED AT AUSTIN, TEXAS on the 16th day of January 2015.
