IN BOWIE COUNTY §

PUBLIC UTILITY COMMISSION
OF TEXAS
FILING CLERK

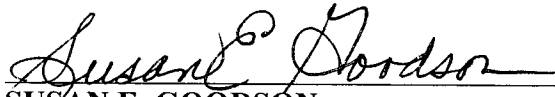

**ORDER NO. 10
ESTABLISHING DEADLINES**

This Order requires a supplemental final recommendation from Commission Staff. On March 21, 2016, Commission Staff filed a final recommendation in this proceeding. Commission Staff stated that DeKalb has issued incorrect notices on three different occasions and that the most recent notice issued by DeKalb contains incorrect language. Therefore, Commission Staff recommended that this application be dismissed without prejudice to refile of same and that DeKalb be allowed to respond to Commission Staff's recommendation, perhaps suggesting remedies or explaining the discrepancy between the language recommended by Commission Staff and the language in the notice issued by the City. On March 24, 2016, Order No. 9 was issued, providing the city one more opportunity to cure the deficiencies with its notice, and to eliminate any possible confusion provided copies of the correct and approved notice forms, as had been provided by Commission Staff, on April 16, 2015, for DeKalb to use in this application. On March 31, 2016, DeKalb filed new affidavits of notice.

Accordingly, on or before **April 28, 2016**, Commission Staff shall file a supplemental final recommendation in this application, propose additional procedural schedule if appropriate, or request a hearing. On or before **May 12, 2016**, DeKalb may respond to Commission Staff's supplemental final recommendation.

SIGNED AT AUSTIN, TEXAS the 4th day of April 2016.
