ORDER NO. 3
REQUIRING STAFF RECOMMENDATION

On January 28, 2015, the City of Austin (COA) filed with the Public Utility Commission of Texas (Commission) an application requesting to cancel Lost Creek MUD's water certificate of convenience (CCN) No. 10307 and wastewater CCN No. 20118 in Travis County, Texas.

On April 7, 2015, Commission Staff filed a response to Order No. 2. Staff stated COA had not made a filing to cure the deficiencies noted in Staff's recommendation dated February 24, 2015. Staff recommended that the application be dismissed without prejudice for failure to prosecute.

On April 14, 2015, in response to Commission Staff's recommendation, COA filed an updated application including a new oath, inspection documentation and maps.

On or before May 12, 2015, Commission Staff shall file a supplemental recommendation on the administrative completeness of COA's updated application, and propose a procedural schedule, if appropriate.

SIGNED AT AUSTIN, TEXAS on the 23rd day of April 2015.
