**ORDER NO. 4
DEEMING APPLICATION MATERIALLY DEFICIENT;
ESTABLISHING DEADLINE FOR OPPORTUNITY TO CURE**

Background. On January 28, 2015, the City of Austin (COA) filed with the Public Utility Commission of Texas (Commission) an application requesting to cancel Lost Creek MUD’s water certificate of convenience (CCN) No. 10307 and wastewater CCN No. 20118 in Travis County, Texas. On April 14, 2015, in response to Commission Staff’s recommendation, COA filed an updated application including a new oath, inspection documentation and maps.

Commission Staff’s recommendation. On May 12, 2015, Commission Staff filed a supplemental recommendation on administrative completeness of the application and stated the updated application remains deficient. Pursuant to 16 Tex. Admin. Code § 24.8(a), the application is not considered filed until the Commission determines that the application and notice are both administratively complete. Commission Staff recommended the COA be given until June 15, 2015 to cure the deficiencies identified in the Staff recommendation filed on May 12, 2015. Staff proposed a deadline of July 7, 2015 to file a supplemental recommendation on administrative completeness of the application, or propose a procedural schedule, if appropriate. In addition, Staff recommended the COA not send notice until the deficiencies are cured.

Consistent with Commission Staff’s recommendation, no later than **June 15, 2015**, the COA shall address the deficiencies and file the information requested by Staff in its May 12th recommendation. The COA shall not send notice until it is approved by the Commission.

On or before **July 7, 2015**, Commission Staff shall file a supplemental recommendation addressing administrative completeness of the application and notice and file a procedural schedule, if appropriate.

Filings. Parties are reminded that an original and ten copies of documents relating to this proceeding must be filed with the Commission filing clerk according to 16 Tex. Admin. Code § 22.71. A copy of each document filed with the Commission must also be served on all parties.

Communications. Parties are also reminded that direct communications with the administrative law judges and presiding officer (collectively, ALJs) are prohibited. Questions concerning this order or any other order must be submitted in writing, filed with the Commission, and served on all parties of record.

SIGNED AT AUSTIN, TEXAS on the 15th day of May 2015.
