**ORDER NO. 7  
FINDING CLOSING DOCUMENTATION SUFFICIENT**

On January 29, 2015, Northwest Water Systems, Inc. (Northwest) and Nerro Supply Investors, LLC (Nerro) filed an application for approval of the sale, transfer, or merger of facilities and certificate rights in Harris and Montgomery County. The transaction was approved to proceed and applicants filed closing documents evidencing consummation occurred within one year of approval.

On January 4, 2016, Commission Staff filed a recommendation that the closing documents submitted be found insufficient because applicants did not file customer deposit information as required. Applicants were ordered to supplement the customer deposit information and did so on January 11, 2016. On March 7, 2016, Commission Staff recommended that the supplemental documents be found to adequately address the disposition of customer deposits.

Consistent with Commission Staff's recommendation, the closing documentation filed by applicants on December 15, 2015 and supplemented on January 11, 2016, is deemed sufficient.

As indicated in Commission Staff's filing, a final recommendation on the application shall be filed by April 1, 2016.
