RE: Docket No. 44484
Etoile Water Supply Corporation's
Motion To Dismiss

I received the Motion To Dismiss in the mail today, January 30, 2016. In it you referenced Order No. 2 concerning a reply or withdrawal date of December 22, 2015. I have gone through all documentation that I have received previously concerning Docket No. 44484. I have nothing regarding an Order No. 2.

In looking back over the response from Etoile Water Supply, the response concerning Item VI on November 18, 2013 referenced amending the "by-laws". If you look at the paragraph referencing amending the by-laws in the minutes, there is no mention of the signature requirements approved by the legislature. I am enclosing a copy of that particular page of the minutes. The signature requirements are part of the *Election Procedures For Members' Meetings*.

Sincerely yours,

Maryanne Theriot
