COMMISSION STAFF'S REQUEST FOR ADDITIONAL TIME

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest and files this Request for Additional Time, and would show the following:

I. BACKGROUND

On February 26, 2015, Founders Reserve Community Association, Inc. (Founders or Applicant) filed with the Commission an application (Application) to obtain new water and sewer certificates of convenience and necessity in Montgomery County, Texas.

Order No. 2 deemed the Application insufficient for filing and allowed the Applicant until April 24, 2014 to cure mapping deficiencies noted by Staff. The Applicant filed supplemental information on May 7, 2015. Order No. 3 provided that Staff would file a supplemental recommendation by June 11, 2015.

II. REQUEST FOR ADDITIONAL TIME

Staff still needs additional time to complete its review of the supplemental mapping information due to the unexpected unavailability of a key member of Staff. Therefore, Staff requests that it be allowed until June 26, 2015 to file a supplemental recommendation and to propose a procedural schedule.

III. CONCLUSION

Staff respectfully requests the entry of an order consistent with the above request.
