**ORDER NO. 6
REQUIRING ADDITIONAL NOTICE**

On August 5, 2015, Founders Reserve Community Association, Inc. (Founders Reserve) filed affidavits and a copy of the notice provided to neighboring systems, landowners and cities, along with a copy of the published notice. On August 14, 2015, Public Utility Commission of Texas (Commission) Staff filed a recommendation on sufficiency of the notice issued by Founders Reserve in this proceeding.

Commission Staff has determined that the Applicant did not include the following entities on the affidavit of notice provided: (1) North Harris County Regional Water Authority, (2) Northampton MUD, and (3) Northwest Harris County MUD 19. These neighboring entities were on the list requiring notice as instructed in Commission Staff's June 26, 2015 memo. Staff recommends that Founders Reserve issue a complete notice to those entities not receiving notice. In addition, the Commission received a letter from Lynda Kaye Rice stating that she received individual notice from Founders Reserve but did not receive an attached map of the proposed area that was referenced in the notice. Applicant is required to provide a map with each individual notice. Commission Staff recommended Founders Reserve reissue a complete notice to the parties that received incomplete notice, and file affidavits to that effect.

Consistent with Commission Staff's recommendation, Applicant shall provide notice as directed by Commission Staff using the forms attached to Commission Staff's June 26, 2015 memorandum. Founders shall file affidavits evidencing proof of notice by the deadline set forth below.
