**SOAH ORDER NO. 3
ABATING PROCEEDING AND REQUESTING STATUS REPORTS**

On May 13, 2015, Sam Houston Race Park, LLC (Sam Houston), CenterPoint Energy Houston Electric, LLC (CenterPoint), and Staff of the Public Utility Commission of Texas (collectively, Parties) filed a Joint Motion to Abate Proceeding (Motion). The Parties represent that the abatement is appropriate because it will allow further evaluation and diagnostic work on relevant electrical facilities to determine the cause of Sam Houston's service quality issues and to facilitate further settlement discussions. During the abatement, the parties have agreed that all aspects of the proceeding will be abated, including discovery; however CenterPoint has agreed to respond to pending Sam Houston discovery no later than June 1, 2015.

The Administrative Law Judge grants the Motion. Accordingly, this case is abated. To keep the ALJ informed on the progress of the evaluation and diagnostic work, and settlement discussions, the Parties shall file status reports on August 21, 2015, and November 13, 2015.

SIGNED May 14, 2015.
