ORDER NO. 4
REQUIRING RESPONSES

I. Background

On July 2, 2015, Professional Contract Services, Inc. (PCSI), operating a water well immediately east of the Forest Oaks Parcel, filed a request for a public hearing regarding the necessity of an amendment to Applicant's certificate of convenience and necessity (CCN) to clarify the area it covers. PCSI stated that the CCN should be limited to cover only the 6.73 acres and the 30 customers within the Forest Oaks Parcel as initially indicated in its application, not a total of 18 acres as later amended.

PCSI indicated that its request for a public hearing, objection to the proposed transfer, and its request for amendment of the CCN, will be withdrawn if: the CCN is amended by clarifying that the CCN covers only the 6.73 acres within the Forest Oaks Parcel as described in the deed from Texana Properties, Inc. to Forest Oaks MHC, LLC; and the application for transfer is amended by clarifying that the CNN covers only "the total area being requested includes 6.73 acres [i.e., the Forest Oaks Parcel] and serves 30 customers."

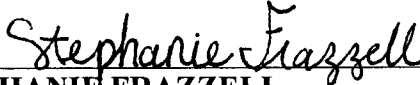

I. Requiring Responses

On or before **July 22, 2015**, Applicant shall file a response to the objections raised by PCSI in its July 2, 2015 filing. Staff shall file a response to PCSI's objections on or before **August 11, 2015**.
