**ORDER NO. 2
FINDING APPLICATION INCOMPLETE AND DEFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

On April 10, 2015, Public Utility Commission of Texas (Commission) Staff filed comments on the application. Commission Staff determined that the application of City of Drippings Springs (Applicant) is not administratively complete due to mapping deficiencies, as specifically described in Commission Staff's April 10, 2015, filing and the attached memorandum of Tammy Benter of the Commission's Water Utilities Division. Pursuant to P.U.C. SUBST. R. 24.8(a), applications are not considered filed until a determination of administrative completeness is made; thus, at this time the application is not considered filed with the Commission.

Applicant should not send out notice to affected parties until the discrepancies noted by Commission Staff are corrected.

Commission Staff proposes that Applicant be afforded additional time to address the deficiencies identified by Commission Staff in its filing. Commission Staff proposes to file additional comments regarding completeness of the application and notice, once the application has been supplemented.

Consistent with Commission Staff's recommendation, the application is administratively incomplete and deficient. On or before **May 11, 2015**, Applicant shall amend its application to cure the deficiencies noted by Commission Staff. Processing of the application cannot proceed until the requested items are received and reviewed.

On or before **June 11, 2015**, Commission Staff shall file a supplemental recommendation regarding administrative completeness of the supplemental application and notice along with a proposed procedural schedule, if appropriate.
