PUBLIC UTILITY COMMISSION

**ORDER NO. 2**  
**FINDING APPLICATION INCOMPLETE AND DEFICIENT,**  
**ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

On April 10, 2015, Public Utility Commission of Texas (Commission) Staff filed comments on the application. Commission Staff determined that the application of Aqua Texas, Inc. d/b/a Aqua Texas (Applicant) is not administratively complete due to the need to submit a preliminary engineering report and a summary transmittal letter, as specifically described in Commission Staff's April 10, 2015, filing and attached memorandum of Debbie Reyes Tamayo and Tracy Harbour of the Water Utility Regulation Division and Grace Godines of the Competitive Market Division. Pursuant to P.U.C. SUBST. R. 24.8(a), applications are not considered filed until a determination of administrative completeness is made; thus, at this time the application is not considered filed with the Commission.

Commission Staff proposes that Applicant be afforded additional time to address the deficiencies identified by Commission Staff in its filing. Commission Staff proposes to file additional comments regarding completeness of the application, once the application has been supplemented.

Consistent with Commission Staff's recommendation, the application is administratively incomplete and deficient. On or before **May 8, 2015**, Applicant shall amend its application to cure the deficiencies described by Commission Staff. Processing of the application cannot proceed until the requested items are received and reviewed.

On or before **May 29, 2015**, Commission Staff shall file a supplemental recommendation regarding notice, the administrative completeness of the supplemental application, along with a proposed procedural schedule, if appropriate.

Parties are reminded that an original and 10 copies of documents relating to this proceeding must be filed with the Commission filing clerk according to P.U.C. PROC. R. 22.71. A copy of each document filed with the Commission must also be served on all parties.

Parties are also reminded that direct communications with the administrative law judges and presiding officer (collectively, ALJs) are prohibited. Questions concerning this Order or any other order must be submitted in writing, filed with the Commission, and served on all parties of record.

SIGNED AT AUSTIN, TEXAS the 13<sup>th</sup> day of April 2015.
