SOAH ORDER NO. 6  
REQUIRING STATUS REPORT OR MOTION TO DISMISS

On May 18, 2018, the City of Heath (Heath) filed a status report indicating that it was continuing to make progress with Forney Lake Water Supply Corporation (Forney Lake) in finalizing and implementing an agreement pursuant to Texas Water Code § 13.255(a). The report stated that Heath filed an application with the Public Utility Commission of Texas (PUC or Commission) to approve the agreement. The application is the subject of PUC Docket No. 47979. The report also stated that after the Commission issued an order in Docket No. 47979 approving Heath's application, Heath and Forney Lake would schedule a closing on the transaction and file a motion to dismiss this docket within five business days following the closing. On July 2, 2018, the Commission issued an order in Docket No. 47979 approving Heath's application.

Therefore, the parties are **ORDERED** to, by no later than November 2, 2018, either a motion to dismiss this case or a status report regarding the closing of the transaction.
