Re: PUC Docket No. 44541; Application of the City of Heath to amend certificate of convenience and necessity and to decertify portions of Forney Lake Water Supply Corporation's service area in Rockwall County

Dear Art,

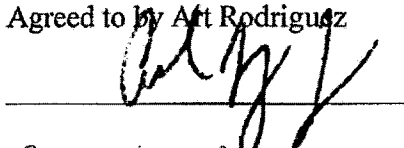

This is to confirm our phone conversation this afternoon in an effort to resolve the objections to Forney Lake Water Supply Corporation's First Request for Information to the City of Heath that I provided to you by email on September 1, 2015. You requested that I delay filing the City of Heath's objections in return for your agreement to extend the deadline for filing such objections to September 11, 2015. This agreement is acceptable to me. Please sign below to signify your agreement. I'll also contact A.J. Smullen to confirm his agreement and file as required by PUC Procedural Rule 22.144(k).

Sincerely,

Jim Mathews
