**SOAH ORDER NO. 4
REQUIRING EXPLANATION OF PROGRESS**

On January 25, 2016, Forney Lake Water Supply Corporation reported that they had agreed on a compensation amount with the City of Heath and "are now working to memorialize the agreement." Since that time, the parties have timely filed status reports stating that the parties continue to work on memorializing an agreement.

Because of the length of time that it has taken to reach a resolution, the Administrative Law Judge orders the parties to file a more complete status report, indicating what progress the parties have made thus far toward memorializing their agreement and when they expect the matter to be concluded. Any subsequent status report should also include this information.

SIGNED June 1, 2016.
