**ORDER NO. 2**

**FINDING APPLICATION INCOMPLETE AND DEFICIENT,  
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

On March 16, 2015, City of Heath (Heath) filed with the Public Utility Commission of Texas (Commission) an application to amend its water certificate of convenience (CCN) No. 12060 and to decertify a portion of Forney Lake Water Supply Corporation's service area under CCN No. 10086, in Rockwall County. Heath requests single certification to serve new customers.

On April 8, 2015, Commission Staff filed a response to Order No. 1. Commission Staff stated the application does not contain sufficient information and the mapping requirements have not been met, therefore, the application is not administratively complete and remains deficient at this time. Staff recommended that Heath be permitted 30 days to correct the deficiencies identified in Commission Staff's recommendation. Commission Staff proposed to file a supplemental recommendation addressing administrative completeness and propose a procedural schedule by May 20, 2015.

Consistent with Staff's recommendation, Heath shall cure the deficiencies no later than May 6, 2015. Commission Staff shall file a recommendation addressing administrative completeness no later than May 20, 2015.

SIGNED AT AUSTIN, TEXAS on the 10<sup>th</sup> day of April 2015.
