Q. Please state your name, title and address.

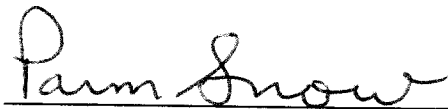

A. Parm Snow, 29763 Joseph Road, Hockley, Texas 77447

Q. What links would affect your property?

A. Links LC and I3.

Q. What is your position in this proceeding regarding CenterPoint's proposed alternative routes?

A. Since I own property on both links LC and I3, I have examined both links in detail. I support the use of Link I3 in Route 1A Modified as proposed by the Three Mile Creek Alliance. In particular, Link I3 is preferable to me because it follows the existing transmission line Right-of-Way.

Parm Snow,
Intervenor
