ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

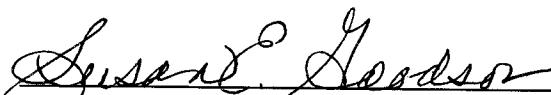

On May 29, 2015, Public Utility Commission of Texas (Commission) Staff filed comments regarding the administrative completeness of this application. Commission Staff stated that there are material deficiencies in Lass Water Company, Inc. and Sandra Barbey's (collectively, the Applicants) application, as specifically described in its pleading and the attached memorandum of Elisabeth English, Engineering Specialist, and Suzanne Burt, GIS Specialist. Pursuant to 16 Tex. Admin. Code § 24.8(a) (TAC), the application is not considered filed until the Commission determines that the application and notice are administratively complete. Thus, at this time the application is not considered filed with the Commission.

Consistent with Commission Staff's recommendation, this application is administratively incomplete and deficient. On or before **June 29, 2015**, the Applicants shall file supplemental information to complete the application and cure the deficiencies identified by Commission Staff. Processing of the application cannot proceed until the requested items are received and reviewed.

On or before **July 29, 2015**, Commission Staff shall file a supplemental recommendation regarding administrative completeness of the application, as supplemented, and notice along with a proposed procedural schedule, if appropriate.
