**ORDER NO. 6
REQUIRING CLARIFICATION FROM YES PREP**

On June 30 and July 1, 2015, YES Prep Public Schools (YES Prep) filed affidavits of notice to neighboring utilities and affected parties, along with a copy of the notices sent, and an affidavit verifying publication of notice. According to the affidavits, notice was mailed to neighboring systems, landowners and cities on June 16, 2015, and published in *The Houston Chronicle* on June 16 and June 23, 2015. On August 6, 2015, Public Utility Commission of Texas Staff filed a motion recommending that the mailed and published notices be deemed insufficient. In response to Staff's motion, on August 10, 2015, YES Prep responded and acknowledged that the differences identified by staff exist but that the notices sent still satisfy the requirements of Tex. Water Code § 13.246(a) and 16 Tex. Admin. Code § 24.106.

YES Prep's filing does not specifically state the reasons for not providing the notices as directed in Order No. 3 and also does not explain the discrepancy regarding the number of acres at issue. Therefore, on or before **August 17, 2015**, YES Prep shall provide information to clarify these issues.

SIGNED AT AUSTIN, TEXAS the 11th day of August 2015.
