Notice to Neighboring Systems, Landowners and Cities

NOTICE OF APPLICATION TO AMEND CERTIFICATE OF CONVENIENCE
AND NECESSITY (CCN) TO PROVIDE SEWER UTILITY SERVICE IN BELL
COUNTY, TEXAS

To: 439 WATER SUPPLY CORPORATION
(Neighboring System, Landowner or City)
6202 Sparta Road
(Address)
BELTON TX 76513
(City State Zip)

Date Notice Mailed: Oct 6th, 2015

The City of Belton has filed an application with the Public Utility Commission of Texas to amend its Certificate of Convenience and Necessity No. 20444 for the provision of sewer utility service in Bell County, Texas.

The proposed utility service area is located approximately **4 miles west and south of downtown Belton, Texas**, and is generally bounded on the north by Lake Belton; on the east by the intersection of US Highway 190 and Paddy Hamilton Road; on the south by the intersection of FM 436 and 3 Forks Road; and on the west by the intersection of FM 2484 and Interstate Highway 35.

See enclosed map of the proposed service area.

The total area for the sewer CCN being requested includes approximately 24,676 acres and 0 current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement

is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to exclude the tract from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All request to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Public Utility Commission of Texas
Water Utilities Division
P. O. Box 13326
Austin, TX 78711-3326

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.

Date Notice Mailed: Oct 6th, 2015

The City of Belton has filed an application with the Public Utility Commission of Texas to amend its Certificate of Convenience and Necessity No. 20444 for the provision of sewer utility service in Bell County, Texas.

The proposed utility service area is located approximately **4 miles west and south of downtown Belton, Texas**, and is generally bounded on the north by **Lake Belton**; on the east by **the intersection of US Highway 190 and Paddy Hamilton Road**; on the south by **the intersection of FM 436 and 3 Forks Road**; and on the west by **the intersection of FM 2484 and Interstate Highway 35**.

See enclosed map of the proposed service area.

The total area for the sewer CCN being requested includes approximately 24,676 acres and 0 current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement

is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to exclude the tract from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All request to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Public Utility Commission of Texas
Water Utilities Division
P. O. Box 13326
Austin, TX 78711-3326

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.
