I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary.

I purchase this property as an investment property August 23rd, 2007 and I am concerned that the installation of the proposed KK section will severley diminish the resale value of my property (1404.15). In addition, I have future intentions of building a home on this property, but I would be reluctant to do so given the health risks associated with the electric and magnetic fields generated by power transmission lines.
