RE: Docket Number 44695

Crystal Clear Water Supply Corporation respectfully requests an extension from the deadline of August 3, 2015 to August 10, 2015 to provide proof of the published notice of our application for certificate of convenience and necessity (CCN). I have contacted the Commission Staff and am authorized to represent that Commission Staff does not oppose our request for an extension. Crystal Clear Water Supply Corporation is requesting this extension because we will need additional time to obtain an affidavit from the New Braunfels Herald-Zeitung's Publisher.

Thank you in advance for your time and consideration of my request. Please feel free to contact me if I can be of further assistance.

Sincerely,

Nancy Turner
