**SOUTHWESTERN PUBLIC SERVICE COMPANY'S FIRST SUPPLEMENTAL
RESPONSE TO STAFF'S FIRST REQUEST FOR INFORMATION
QUESTION NO. 1-15**

Southwestern Public Service Company ("SPS") files this supplemental response to Staff's ("Staff") first Request for Information, Question No. 1-15.

I. WRITTEN RESPONSES

SPS's written supplemental responses to Staff's first Request for Information are attached and incorporated by reference. Each response is stated on or attached to a separate page on which the request has been restated. SPS's responses are made in the spirit of cooperation without waiving SPS's right to contest the admissibility of any of these matters at hearing. Pursuant to 16 Tex. Admin. Code § 22.144(c)(2)(A) (TAC), each response lists the preparer or person under whose direct supervision the response was prepared and any sponsoring witness. When SPS provides certain information sought by the request while objecting to the provision of other information, it does so without prejudice to its objection in the interests of narrowing discovery disputes pursuant to 16 TAC § 22.144(d)(5). Pursuant to 16 TAC § 22.144(c)(2)(F), SPS stipulates that its responses may be treated by all parties as if they were made under oath.

II. INSPECTIONS.

Voluminous exhibits will also be provided on CD to any requesting party. Further, SPS will upload all voluminous documents, along with all native files for review to SPS’s Sharepoint website:

All parties will be provided a log in identification number at time of intervention to access the Sharepoint website.

If a response or the responsive documents are provided pursuant to the protective order in this docket, the response will indicate that it or the attachment is either confidential (“CONF”) or highly Sensitive (“HS”) as appropriate under the protective order. Confidential and Highly Sensitive materials will be served on all parties that have signed and filed the certification under the protective order entered in this docket. Confidential and Highly Sensitive responsive documents will also be made available for inspection at SPS’s voluminous room, unless they form a part of a response that exceeds eight linear feet in length; then they will be available at their usual repository in accordance with the following paragraph. Please call in advance for an appointment to ensure that there is sufficient space to accommodate your inspection.

If responsive documents exceed eight linear feet in length, the response will indicate that the

attachment is subject to the FREIGHT CAR DOCTRINE, and, pursuant to 16 TAC § 22.144(h)(3), the attachment will be available for inspection at its usual repository, SPS's offices in Amarillo, Texas, unless otherwise indicated. SPS requests that parties wishing to inspect this material provide at least 48 hour notice of their intent by contacting Ron Moss of Winstead P.C., 401 Congress Avenue, Suite 2100, Austin, Texas 78701; telephone number (512) 370-2867; facsimile transmission number (512) 370-2850; email address rhmos@winstead.com.
