Re: Quadvest, L.P. CCN Application Docket # 44721
Partial Decertification of Aqua Texas CCN 13203

Dear Mr. Sequeira:

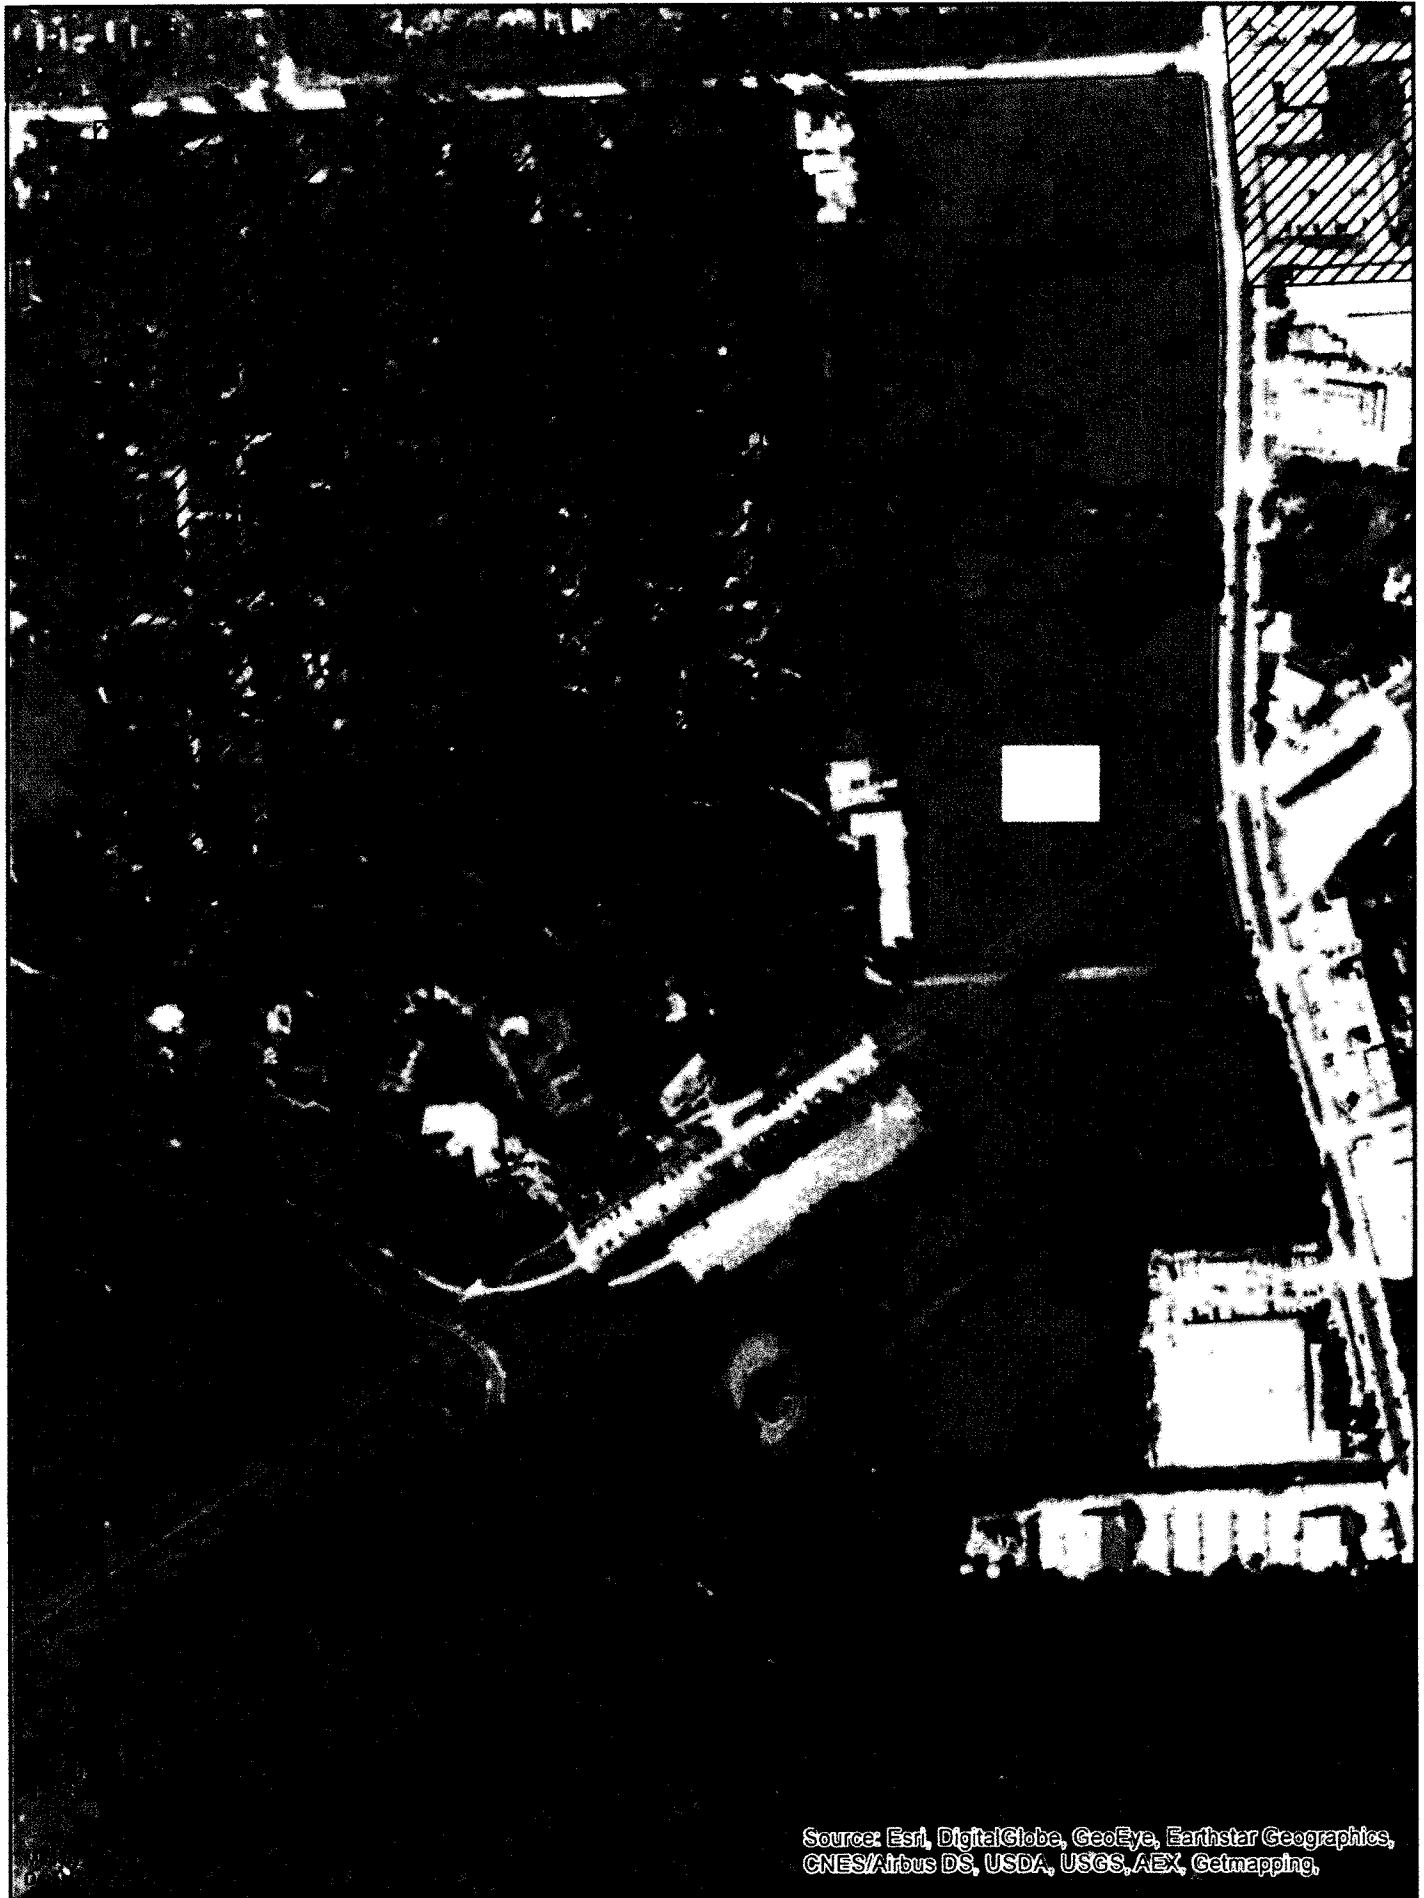

This letter shall serve as the agreement by Aqua Texas, Inc. ("Aqua") to decertify approximately 4.88 acres in Harris County out of Aqua's CCN No. 13203 for the purposes of incorporating the property into Quadvest, L.P.'s ("Quadvest") CCN in Application Docket # 44721. The \pm 4.88 acres to be decertified is situated adjacent to the south line of Secret Forest Court Subdivision and the entire area to be decertified is part of a 46.888 acre tract of land owned by International Center for Entrepreneurial Development, Inc. Please see the attached map. Aqua does not now, nor has it ever, supplied drinking water to customers within the portion of CCN No. 13203 to be decertified.

Aqua consents to enter into an agreement with Quadvest, L.P. to decertify the aforementioned area and seeks no compensation under Texas Water Code 13.254 in exchange for this agreement to decertify. If approved, the decertification will allow Quadvest to provide retail public water utility service under CCN No. 11612 to the portion of Aqua's CCN No. 13203 requested for decertification as may be needed to fulfill the landowner's development plans without CCN interference.

Thank you,

A handwritten signature in black ink, reading "Robert L. Laughman". The signature is fluid and cursive, with a long horizontal stroke extending from the end.
