Quadvest, L.P. has submitted an application with the Public Utility Commission of Texas (Commission) to amend its CCN Nos. 11612 and 20952 to provide water and sewer facilities in Harris County.

The area subject to this transaction is located within approximately 9 miles northwest of downtown **Jersey Village, Texas** and is generally bounded on the north by **Jarvis Road**; on the east by **Telge Road**; on the south by **Cypress Creek**; and on the west by **Secret Forest Court**.

The total area being requested includes approximately 93 acres and serves 0 current customers.

**See enclosed map of the proposed service area.**

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a STM; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should file a request in writing with the:

Public Utility Commission of Texas  
Central Records  
1701 N. Congress Avenue, P.O. Box 13326  
Austin, Texas 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, Commission will not transfer the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a

recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant.
